An aerial photograph of a Norwegian fjord. The water is a deep blue, transitioning to a lighter turquoise near the shore. Steep, green mountains rise from the water's edge. A person in a yellow jacket stands on a rocky outcrop in the foreground, looking out over the fjord. The title 'The Norwegian coast' is centered over the image.

# The Norwegian coast

---

Welcome to our home.

This is a place of unmatched beauty and wonder.

62,000 miles of the world's most spectacular fjords, mountains, and islands.

Land of the never-ending Midnight Sun in summer. Realm of the mesmerizing Northern Lights all other seasons of the year.

Descendants of Vikings, Sámi, and more, we've sailed these waters since 1893.

No one knows its secrets better.

For the people who live and work here, our ships are like old family friends.

A crucial, cherished beat in the rhythm of everyday Norwegian coastal life.

Week after week. Season after season. 131 years of bringing goods, gifts, and guests.

We are the original Norwegian coastal voyages. Come and discover our home with us.

# Breathtaking fjords

---

Few things define the beauty of the mainland Norwegian coast and Svalbard than our fjords, renowned the world over.

## **Famously Norwegian**

Fjords feature in a few places across the planet, but none are as famous or as picturesque as those that bless us here on the Norwegian coastline.

Even the word 'fjord' stems from the old Norse word *fjōðr*, a hybrid of words that aptly mean 'crossing' and 'to travel.'

## **Shaping a nation**

Norway's fjords are the veins of our nation, formed from giant glaciers that once covered the length of the Norwegian coastline 2.6 million years ago.

Over millennia, the gradual grinding of the ground by glacial ice and meltwater created long valleys that later filled with seawater, creating natural shelters and fishing spots for early communities.

## Fabulous fjords

### Mainland Norway

#### Hjørundfjord

*Seen northbound on The Coastal Express (Sept 1 - Oct 31) and southbound on The Svalbard Express*

The entrance to this hidden fjord lies southeast of the coastal town of Ålesund. It is 12.4 miles – 20 kilometers – of serene scenery surrounded by dense forest and overlooked by the mighty Sunnmøre Alps over 5,500 feet – or 1,700 meters high.

#### Geirangerfjord

*Seen northbound on The Coastal Express (June 1 – Aug 31)*

This UNESCO-listed fjord is the site of breathtaking views. Widely regarded as Norway's 'celebrity' fjord, it is a well-earned title as it shows off several waterfalls such as the Seven Sisters, the Bridal Veil, and the Suitor.

#### Trollfjord

*Seen southbound on The Coastal Express and northbound on The Svalbard Express, at your ship Captain's discretion*

This fjord of just under 2 miles at 3 kilometers in length is tucked away in the Lofoten islands. If your Captain chooses to navigate its 300-foot opening you'll feel close enough to touch its towering 3,400-foot-high cliff walls.

### Svalbard

#### Kongsfjord

*Seen on The Svalbard Express and on The Spitsbergen Adventurer*

Originally named Deer Sound, this fjord gives access to the former coal mining town turned climate research station, Ny-Ålesund, guarded by two mighty glaciers that regularly calve icebergs into the head of the fjord.

#### Magdalenefjord

*Seen on The Spitsbergen Adventurer*

Found to the northwest of Svalbard's main island, this fjord is home to several types of seabirds. Minke and beluga whales are also known to visit in summer, with chances of seeing seals or polar bears on the floating sea ice.

#### Woodfjord

*Seen on The Spitsbergen Adventurer*

Svalbard's fourth longest fjord features dramatic red mountains, the cone-shaped remnants of three volcanoes, and thermal springs. Neighboring Liefdefjord has snowcapped mountains and thousands of seabirds.

# Realm of the aurora

Sailing northern Norway in autumn, winter, and spring means entering a region where our awe-inspiring Northern Lights reign.

## Seasons of light

The Northern Lights can appear in northern Norway across three distinct seasons, each with its own unique 'highlights' to enjoy.

### Autumn: Sept 1 - Oct 31

Norway's forests turn all shades of gold, copper, and bronze as the Northern Lights return to the night skies. During these two months, The Coastal Express detours into Hjørundfjord, hidden beneath the Sunnmøre Alps.

### Winter: Nov 1 - Mar 31

Layers of soft snow blanket Norway's landscapes, drawing many to the slopes for skiing and other sports. The prolonged blue twilight and longer nights form the perfect backdrop for the *Aurora Borealis* to appear.

### Spring: Apr 1 - May 31

As the aurora fades with brighter skies, the warmer weather awakens Norway, inspiring all the sensations of 'springfulness.' The country's spring fever reaches its peak at the colorful celebrations on May 17, Norway's Constitution Day.

## Northern Lights Promise

Sail the Norwegian coast with us on **The Coastal Express** or **The North Cape Express** during the peak of the auroral season between October 1 and March 31 on a voyage of 11 days or more.

If the Northern Lights don't occur within sight of your ship during your voyage, we'll give you a 6-day Classic Voyage South or 7-day Classic Voyage North on The Coastal Express **free of charge.\***

\*Terms and conditions apply.  
Please visit our website for more details.

### Stop searching, start seeing

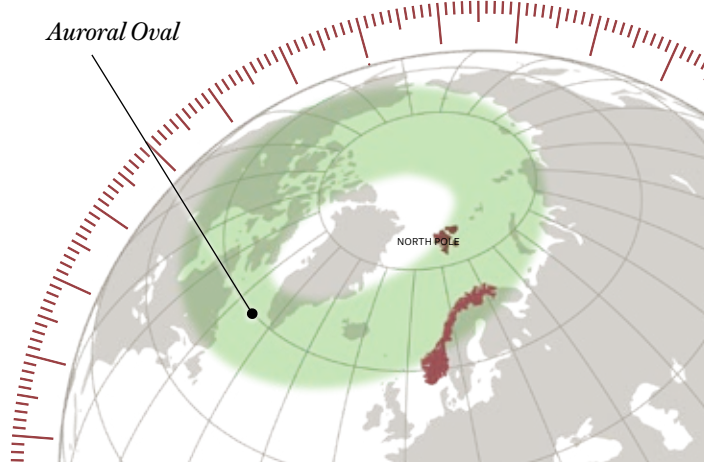

The best chances in Europe of seeing nature's most spectacular light show is in northern Norway between October and March.

Northern Norway lies above the Arctic Circle and is directly under the Auroral Oval, an area of consistent auroral activity.

Your ship acts as a floating observatory. As it sails the

coast, passing from overcast areas to clear skies, aurora hunters aboard have a better likelihood of seeing the Northern Lights – not just once, but multiple times.

Being at sea away from the air and light pollution on land also means the visibility and vibrancy of the lights is much better.

Please note: The Northern Lights are usually seen from aboard the ship while sailing. Sightings are not guaranteed.

# Where the sun never sets

Come summer, Arctic Norway and its crown of islands in the Svalbard archipelago experience eternal sunlight, even at midnight.

## The vibes of summer

Summer along the Norwegian coast is glorious. Turquoise fjords. Verdant mountains. We make the most of the long, sunny days to enjoy hikes, kayaking, cycling, barbecues, concerts, and outdoor food festivals.

Between June 1 and August 31, the northbound leg of The Coastal Express detours into the very scenic UNESCO-listed Geirangerfjord.

We also look forward to Sankthans (Saint John's Eve) on June 23 when friends

and family get together late into the evening around big communal bonfires.

## Land of the Midnight Sun

From mid-May to late July in northern Norway, you can experience endless days under the Midnight Sun.

This polar phenomenon is induced by Earth's tilted axis, casting a spell of 24 hours of continuous daylight in the Arctic.

During this period, while you can see the sun moving across the sky, it never falls below the horizon.

## Where and when to experience the Midnight Sun

Svalbard:  
April 20 – August 22

Hammerfest:  
May 16 – July 28

Tromsø:  
May 20 – July 25

Svolvær:  
May 28 – July 17

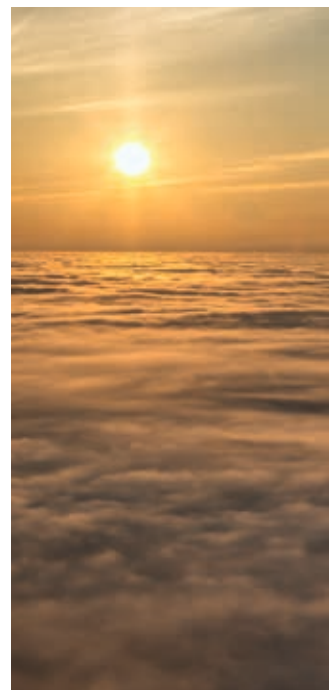

North Cape:  
May 13 – July 31

Vardø:  
May 16 – July 28

Harstad:  
May 24 – July 20

Bodø:  
June 3 – July 11

To experience the Midnight Sun, sail on The Coastal Express in summer, The Svalbard Express, or The Spitsbergen Adventurer.

## A Svalbard summer

### Always light in Longyearbyen

A place that really feels the effects of never-ending day is Svalbard, which is blessed with the light of the Midnight Sun for four months of the year.

This group of islands is located halfway between mainland Norway and the North Pole and is warmed by the last branch of the Gulf Stream.

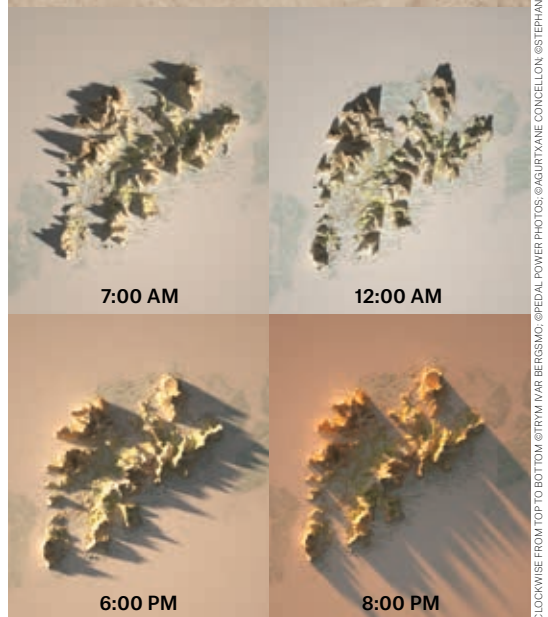

There are only a few thousand permanent human residents on Svalbard, most of whom live in Longyearbyen on Spitsbergen, the largest of the Svalbard islands.

### The wild side

Nearly two-thirds of Svalbard's land surface are protected as nature reserves, national parks, and bird sanctuaries.

In summer, millions of seabirds migrate to the majestic mountains of Spitsbergen. Svalbard reindeer roam the valleys, while walrus and seals inhabit the surrounding seas.

Some 3,000 polar bears cross the ice on the hunt for bearded, harbour, and ringed seals. There have also been frequent sightings of beluga and other whale species just off the coast.

# The World's Most Beautiful Voyage

Proud to be an icon of Norway

When I have time to stop and think about it, my heart literally swells with pride to be part of Hurtigruten and to help take care of it for the future.

More than just a household name here in Norway, we are a historic brand that's deeply cherished by our coastal communities big and small, and hundreds of thousands of guests from around the world.

For over 130 years, our ships have faithfully served the people of the Norwegian coast through all kinds of weather.

We've brought food, medicine, letters, and loved ones from near and far. And connected a nation together.

Our classic route has become known as 'The World's Most Beautiful Voyage,' the best way to see the splendour of the coast we call home.

We've sailed under summer's Midnight Sun for 13 decades and shown you the Northern Lights for your first time or your hundredth.

How could I not feel emotional about a brand, an identity that is so important and so iconic to so many?

My role is to protect our shared legacy, while also ensuring the future is bright for the coast and the communities we serve. To do that, I want to make sure we carry on being leaders in sustainability.

We're upgrading our fleet and already developing the next generation of technology that will bring our emissions to zero - so that our history as a sustainable, authentic brand continues for the next 130 years.

When you come aboard our ships and sail along our home with us, you'll be sharing in our living history, in a legacy that spans generations now, and those to come.

After you experience sailing with us, the original Norwegian coastal voyages, I hope that you'll also come away sharing the same sense of pride that I feel; for who we are and what we mean as an icon of Norway.

# The heart and soul of The Norwegian coast

---

Our ships are an intimate part of life here, and have been for generations. Much like the fjords themselves.

## **The Original, since 1893**

USA has Route 66. Japan has the Shinkansen. For Norway, we have Hurtigruten. Welcome to the original Norwegian coastal voyages. A journey that began all those years ago by our founder Captain Richard With.

He had a vision of a ship service that connected ports and people the length of Norway. We're still going strong 131 years later.

## **True experts**

Sailing here season after season, year after year, for 131 years, we have seen the secrets of the Norwegian coast, and witnessed its wonders time and again.

We know it like no one else can.

To sail with us and our onboard Coastal Experience Team is to explore Norway with those who truly know it best.

## **Iconic and intimate**

Our fleet has sustained Norway's coastal communities over some four generations. Generations who have grown up welcoming us week in, week out, as we bring goods and visitors from afar.

It's only natural that our ships have a special place in the hearts of many local Norwegians. Like a member of the family or a faithful old friend.

## Caring for the coast

We love our home and do all we can to protect it. That's why we were among the first to ban heavy fuel oil and why we were also the first fleet in the world to detox from single-use plastics.

# Sea Zero

This is project Sea Zero™, our commitment to create a zero-emission ship that surpasses all others by 2030.

## First-of-its-kind initiative

Together with a consortium of 12 maritime partners and research institute SINTEF, we are proud to present concept designs of our first zero-emission ship that will sail our home on the Norwegian coast in 2030.

## Zero emissions, maximum innovation

To realize our goal of the world's most energy-efficient ship that sails with zero sea and air emissions, we will draw on a suite of potential innovative technologies.

Large 60MWh battery banks

Retractable sails that harness wind and solar power

Enhanced AI-assisted manoeuvring

Underwater air lubrication

Hydrodynamic retractable thrusters

Smart cabins with real-time energy monitoring

## Hurtigruten at heart

It's not just our iconic black, red, and white livery that makes this new Sea Zero ship follow in the wake of Hurtigruten ships past and present.

The ship is modelled at 135 meters (443 feet) in length and is set to have cabins for 500 guests. This is a similar size to the ships in our current fleet, ensuring

we retain the intimate onboard experience we are loved for.

A large cargo hold and the ability to transport cars is also included in the design, in keeping with our faithful 130-year service sustaining the many communities of the Norwegian coast.

### Looking ahead

Sea Zero will now enter a research and development phase, which lasts until 2025. During this time, we will enhance existing ideas, pave the way for new ones, and test the most promising technologies.

The project will then advance to the new-build stage as we gear up to have the ship ready for launch by 2030.

There's still a lot to do, but we hope you're as excited as we are about Sea Zero and the potential it has for the future.

### In the meantime

Though our goal is zero emissions, we are doing what we can with the ships and the technology we have today in one of the largest maritime upgrades in the history of Europe.

By 2024, we will have invested USD \$108 million in our existing fleet, transforming three ships to hybrid power, and cutting CO<sub>2</sub> emissions by 25% and NO<sub>x</sub> emissions by 80%.

Hybrid-power allows our ships to be emission-free for a few hours. Our Sea Zero ship will be fully emission-free, not just for a few hours, but always.

### 1. Wind and solar sails

Three retractable, autonomous wing-rigs will enhance the aerodynamics of the ship, pulling in air currents up to a height of 150 feet for added propulsion.

These sails will be covered in solar panels for a total surface area over 16,000 ft<sup>2</sup>. In summer, our ship will be superpowered by northern Norway's Midnight Sun for 24 hours a day.

1

2

### 2. Hidden thrusters

The two thrusters at the stern of the ship will retract into the hull when not needed, making the ship even more streamlined.

Likewise, contra-rotating propellers will be able to recover some of the lost energy in the flow compared to a normal propeller, helping to improve the overall propulsion efficiency.

3

### 3. Battery banks

Renewable energy from the sails, or from ports where the ship plugs in to charge, is safely stored in the ship's 60MWh-strong battery system. There's even an indicator on the sides of the ship to show how full these battery banks are.

At the same time, we are making sure that any batteries we use consist of chemistries that are free from cobalt and that keep nickel to a minimum.

### 4. Smart cabins

Heating and cooling throughout the ship will be taken care of by intelligent heat exchange pumps and a network of insulated distribution systems.

These data-driven systems will enable our guests to monitor and control energy use in their individual cabin through an app on their phone.

# The world's most energy-efficient cruise ship

Here are a few of the ground-breaking innovations that we will be testing and developing in the next few years to create our next generation of ship.

5

## 5. AI-guided bridge

With the ship equipped with dozens of exterior sensors and cameras, and manoeuvring aided by the onboard AI, the size of the bridge can be slimmed down, having a setup like an airplane cockpit.

The cockpit-style bridge will mean a more aerodynamic hull at the bow of the ship and allow us means we can give our guests more living space and viewing areas on the upper decks.

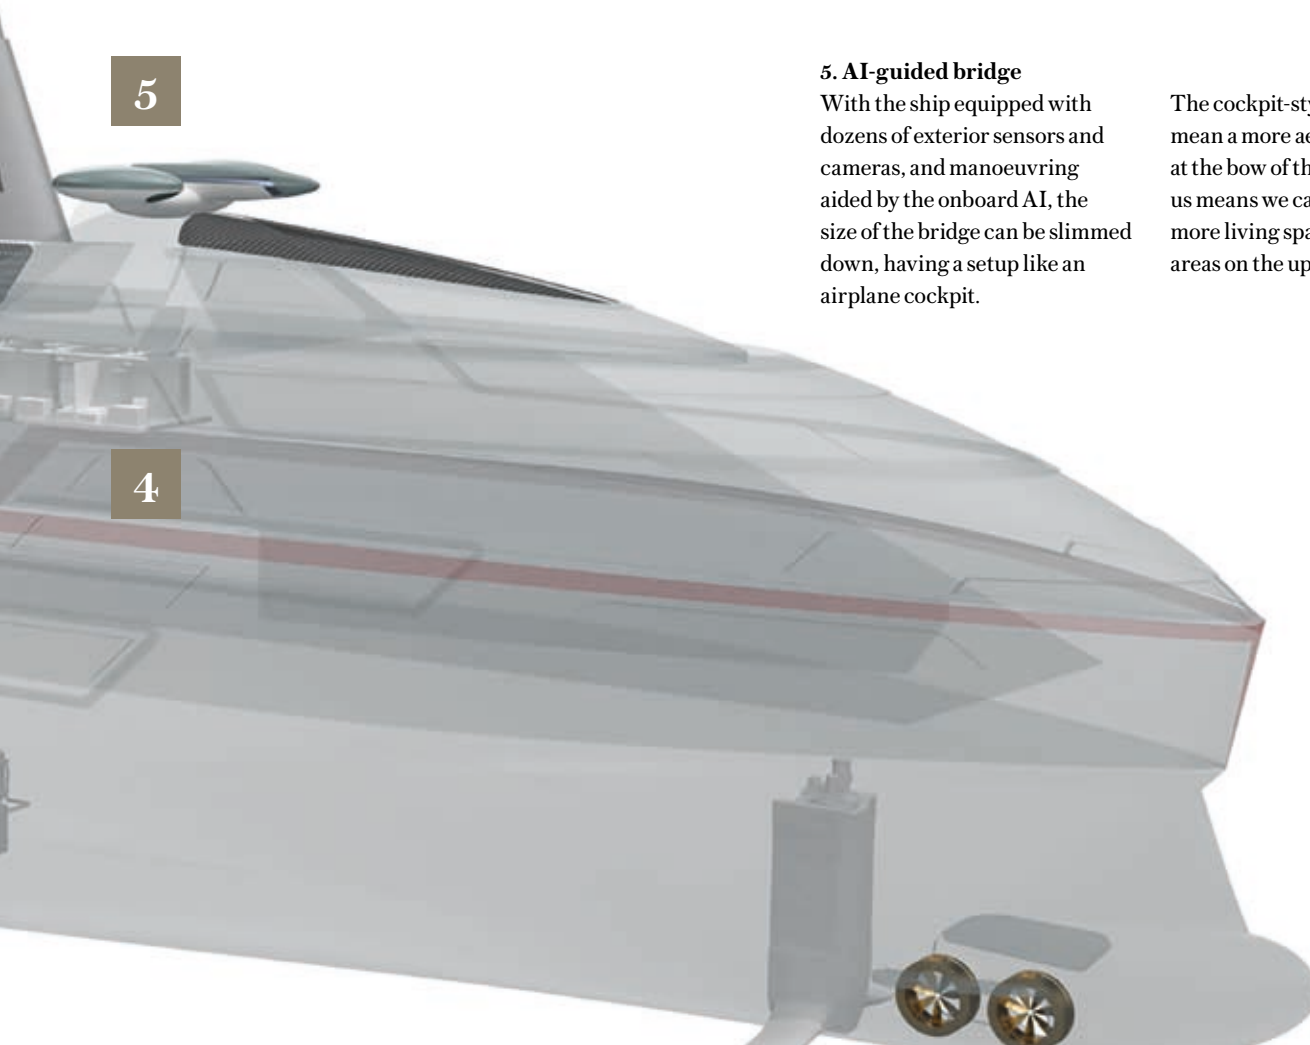

4

## 6. Underwater air lubrication

To reduce underwater drag, we are further developing solutions that will allow the ship to 'surf' on a bed of air bubbles.

These streams of air would project out from the keel from the front of the ship, helping to reduce water resistance and boost overall buoyancy.

6

# Our story together

---

Sailing the Norwegian coast for over a century,  
our ships are woven into the history of our home.

## **Distant and divided**

Before 1893, communities on the Norwegian coast were disconnected. Mountain ranges impeded roads and railways. And with no maps charting the waters, sailing was unreliable and often dangerous. People were isolated. A letter took weeks to arrive. A parcel needed months.

## **One determined visionary**

Where others shrank back at the ambition to finally connect the coast, Captain Richard With

stepped forward. Equipped with nautical maps drawn up by experienced local sailor Anders Holte, Captain With ingeniously and meticulously, prepared a route, schedule, and crew that enabled him to safely sail the coast not just by day, but also by night.

## **Changing the coast forever**

Captain With's 'Hurtigruten' had its pioneering maiden voyage on 2 July 1893, welcomed at ports by locals who had gathered to cheer and wave

in his ship. The momentous day would mark the start of a service that revolutionized life on the Norwegian coast. The fast, safe sailings meant friends, family, lovers, entrepreneurs were no longer cut off, but able to easily move from port to port.

Goods such as fresh seafood could be transported south and exported to the world. This brought wealth to the north, alongside imports and exotic ingredients, like refrigerators and bananas.

**Be part of the legacy**  
Sailing on our ships, you are part of this rich history. Part of Captain Richard With's vision for the Norwegian coast all those years ago. This is the history of the communities of the coast.

Since 1893

# Through the ages

Our ships have changed a lot since our first steamship in 1893. But our love for the Norwegian coast has stayed the same.

## 1893

Captain Richard With establishes Hurtigruten with our first ever voyage: steamship DS Vesteraalen leaves Trondheim on July 2, 1893 and arrives in Hammerfest three days later, 45 minutes ahead of schedule.

## 1898

The route along the Norwegian coast is extended further south and includes Bergen.

## 1908

Kirkenes, at the most eastern point of Norway's coast, becomes the northern turning point of our voyage.

## 1922

The Risøyrenna channel in northern Norway opens, allowing us to connect ports in Vesterålen to our route. Our ship MS Finnmarken was the first to sail through it, with Norway's King Haakon on board.

## 1936

The fleet has 14 ships. More than 230,000 passengers, locals and tourists alike, travel on The Coastal Express each year.

## 1940-45

The occupation of Norway decimates the fleet. All 14 ships and 700 lives are lost at sea. Redeployment of Coastal Express ships after World War II is given the highest priority by the government.

## 1949-52

Seven ships are added to the fleet. The entire fleet now carries over 500,000 passengers a year.

## 1968

We begin sailing a route to the town of Longyearbyen on the island of Spitsbergen in the Svalbard archipelago. The Svalbard Express operates every summer until 1982.

## 1983

MS Vesterålen joins the fleet. Named after our first ship DS Vesteraalen, it continues the legacy first began 90 years ago.

## 1993

Our 100-year anniversary and the construction of MS Kong Harald mark the dawn of the modern era.

## 2001

MS Lofoten, built in 1964, is declared a national monument by the Norwegian government, a testament to our continued service along the coast.

## 2010

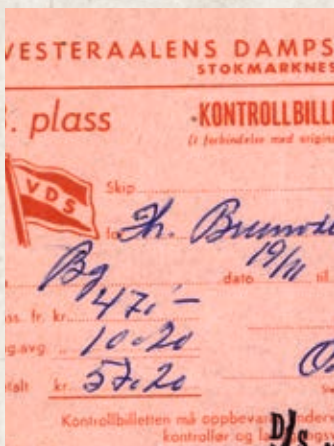

We ban the use of toxic heavy fuel oil from all our ships and advocate for its worldwide ban.

## 2011

The six-day voyage on MS Nordnorge from Bergen to Kirkenes is filmed live on Norwegian television across 11 cameras. At over 134 hours, it enters the Guinness World Records as the world's longest live broadcast.

## 2015

Hurtigruten Foundation was established to reinvest in the communities we visit and to support environmental initiatives. We also launch our popular Northern Lights Promise or our autumn, winter, and spring voyages.

## 2018

Tonnes of single-use plastic items are removed and banned from the ships fleet-wide. We celebrate our 125-year anniversary with a big, plastic-free party.

## 2020

MS Lofoten, our longest serving ship, retires to become a training vessel for future Norwegian seafarers. It had crossed the Arctic Circle 3,500 times and sailed a distance equal to 200 times around the Equator.

## 2021

We begin phasing in sustainable biofuels on our ships.

## 2022-23

Significant green upgrades transform our ships to hybrid power, cutting CO<sub>2</sub> emissions by 25%. Our Sea Zero project also begins development to build our first emission-free ship by 2030.

## 2023

We commemorate our 130-year anniversary by launching two new voyages: The Svalbard Express and The North Cape Express.

# Timeless voyages

There's more than one way to sail with us and  
discover the many wonders of the  
Norwegian coast.

## The Coastal Express

**CLASSIC** | Mainland Norway

Our signature voyages loved since 1893 that call at 34 ports up and down the coast, stopping day and night for a few minutes or a few hours. Along the way, we drop off and pick up cargo, ingredients, and local passengers. A historic route and authentic experience that offers a rare glimpse into everyday coastal life.

Welcome aboard

# The Coastal Express

---

Travel side by side with local Norwegians any season  
of the year on a route that first began in 1893.

# Your home at sea

---

The small ships of The Coastal Express enjoy a casual and cosy ambience, inspired by the Nordic concept of *koselig*.

## Closer to the coast

Unlike big cruise ships, Coastal Express ships carry a few hundred guests at most, making for a more intimate experience. The size of our ships also allows us to sail closer to the coast, weaving through channels, through fjords, and in waters too shallow for bulky liners.

Our service has also been used by locals for generations, either on holiday or to get from port to port. Have a chat with other passengers on board to learn about what life is like for them on the Norwegian coast.

## Bask in the views

Your surroundings are the star of the show on your voyage with us. Watch the ever-changing landscape go by from a comfy chair in the ship's panoramic lounge. Or breathe in the sea air up on the outdoor decks, the ideal spot for catching the Northern Lights in winter or the Midnight Sun in summer.

Even the onboard sauna and gym come with windows, just so you don't miss out on the scenery. Most of our ships also have two outdoor hot tubs, allowing you to admire the views while the bubbles work their magic.

## Scandi-chic

Adding to each ship's 'coziness,' you'll find touches of *koselig* in the décor of our ships, such as in the eclectic furniture of the bakery, interesting ornaments in the restaurants, and in the artwork that adorns the walls of common areas.

The same influence is clear in the calming atmosphere of the Explorer Lounge & Bar, complete with a smokeless, non-wood-burning fireplace.

## Laidback life at sea

As we sail past sparkling fjords, picturesque islands, and mountain ranges, you'll naturally fall into the soothingly slow rhythm of the Norwegian coast. Just sit back. Relax. Watch the world go by.

We're also famously informal on board, with no dress code. The local Norwegians who travel with us don't dress up for dinner, so why should you?

Feel free to join a lecture from the onboard Coastal Experience Team to learn more about the regions we visit. Or take to people-watching as goods and passengers come on and off the ship at the 34 ports we call at day and night.

## Meet Kristina Hecker

Coastal Experience Team Leader

After a voyage with us, Kristina from Hanover, Germany fell in love with the coast, promptly moved to Bergen, and joined our Coastal Experience Team.

"It's so important that our guests get to know the coast and its history. I want to teach them everything I can about the wildlife and nature they can experience on their trip."

"My favorite place is Helgeland. The Seven Sisters mountain range is just spectacular. I also love when we sail Hjørundfjord to Urke in autumn. The scenery is so beautiful, and they have really good waffles there!"

# Step into our office

The Coastal Experience Team will be by your side as part of your voyage with us, sharing stories and insights as we sail.

## **Enriching your experience**

The Coastal Experience Team will be there with you to enhance your voyage with their in-depth knowledge of the local culture, nature, wildlife, and history.

Each member has a range of specialized, well researched topics in their repertoire, ready to share with you in lectures and presentations on board, on deck, and ashore.

## **Lights, camera, action**

Amateur photographers will be pleased to know that the Coastal Experience Team also run a brief photography session on board.

Certified by Canon, the short, informal course is designed

to give you the tips you need to capture the coast in all its glory, such as how to shoot the illustrious Northern Lights should they occur if sailing with us in autumn, winter, or spring.

## **From near and far**

Many of our Coastal Experience Team members are local Norwegians, born and raised on the coast and elsewhere in Norway.

Other team members may have lived in Norway for several years, perhaps coming from the same country as you. See the coast through their eyes as they pick out details about life here and learn what drew them to Norway.

## **Young Explorers**

Children between 6 and 12 years old and up can join a complimentary activity program offered in English and Norwegian on selected ships during July, August, and other holiday periods.

Hosted by specially trained coordinators, activities like treasure hunts, creative art challenges, competitive games, and quick-fire quizzes mix fun with learning about the local nature, history, and culture.

# Norway's Coastal Kitchen

The Norwegian coast is nature's pantry and our ships are its floating kitchens, sourcing ingredients where we sail.

## A true taste of Norway

In our Norway's Coastal Kitchen concept, over 80% of the food we serve on board The Coastal Express comes from 70 Norwegian suppliers the full length of the country.

Many of our ingredients are delivered fresh, directly to our Coastal Express ships at half the ports we visit. As you pass the areas where these seasonal delicacies are fished, farmed, or foraged, the flavours will connect you even more to the coast.

Enjoy freshly caught flaky Arctic char from Sigerfjord in Vesterålen, award-winning goat cheeses from Aalan farm in Lofoten, and tangy handpicked cloudberry nicknamed 'Highland Gold.'

## Food that does good

Choosing to work with home-grown producers means 'short-traveled food' that uses less energy on transportation and refrigeration.

We're also able to support a local, circular economy that

champions family-run farms and innovative start-ups. Every jar of jam, each bottle of beer, and each piece of fish represent a livelihood that benefits individual families, remote communities, and the coast as a whole.

## Culinary Ambassadors

If the ingredients are 'short-traveled,' so too is the talent. We've cooked up an exciting partnership with two award-winning Head Chefs who live and work on the Norwegian coast: Astrid Næsslander and Halvar Ellingsen.

Working closely with our own Head Chef Øistein Nilsen, the two Culinary Ambassadors will do what they do best: create locally inspired, sustainably produced, and delicious seasonal dishes for our menus that showcase the best of Norwegian cuisine.

# Home suite home

You have a range of comfortable,  
Scandinavian-style cabins to choose from,  
all with en-suite bathrooms.

### Channelling *koselig*

We've applied a sense of Norwegian coziness or *koselig* to many of our cabins. Natural materials and comforting colours are just a few of the added touches that make your stay even more comfortable.

Soft lighting creates a relaxing ambience in the evenings, perhaps as you eagerly anticipate the Northern Lights to appear. Then, for summer sailings, the blackout curtains block the rays of the Midnight Sun to ensure you get a good night's sleep.

### The sounds of sleep

To be able to lull yourself to sleep to the sound of waves, you'll need a room with an exterior window, such as an Arctic Superior cabin or one of the suites. These are usually found on the upper decks.

Cabins on the middle and lower decks may be closer to working areas of the ship such as the engine room or the cargo bay, which operate around the clock. If you're a light sleeper sensitive to noise, it's a good idea to pick a cabin or suite from Deck 5 and up.

## SUITES

### Expedition Suites

Only located on the upper decks, these spacious, sublime rooms are the best The Coastal Express has to offer. Some boast large bay windows or a private balcony with splendid views of the coast.

©ESPEN MILLS

## CABINS

### Arctic Superior

Enjoy an outside window with these bigger cabins which are usually situated on the upper or middle decks. Most have views of the passing scenery.

### Polar Outside

Found on most decks, this category of cabin comes with a window or small porthole. Some cabins look out onto the mid-level walking deck.

Some Polar Outside cabins are accessible to guests who require adapted bathrooms and other mobility aids. Please note that standard cabins have raised door sills and may not be suitable for larger mobility aids, such as wheelchairs.

### Polar Inside

Similar in size to Polar Outside cabins, just without the window. Cabins may have single beds that can be combined into a double, or with one bed converting into a sofa.

*Please note that cabin categories may vary from ship to ship. Each suite and cabin have individual specifications.*

Choose from our Classic Voyages and from itineraries that have direct flights and overnight stays included.

## **Nature runs the show**

Though we always do our utmost to stick to our sailing schedule, the weather on the Norwegian coast sometimes has other plans.

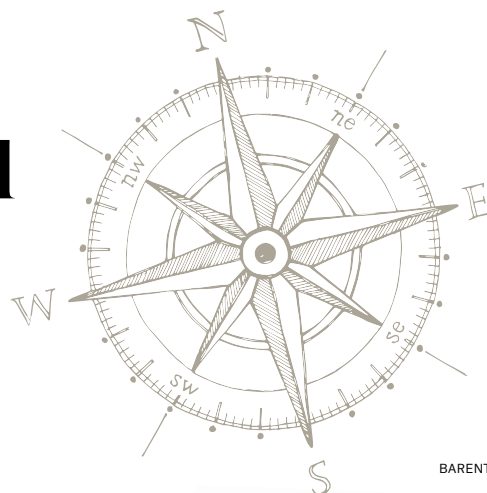

When the water is too choppy or the fog is too thick, your safety comes first, every time. That's the case even if it means we have to change our itinerary or cancel onshore excursions at the last minute.

## **A word on wildlife**

Just like weather on the Norwegian coast, we can't control what wildlife you get to see on your voyage with us. A lot depends on the season, migration patterns, and luck.

Nature and wildlife on the Norwegian coast are unpredictable, but really, that's what makes the surprise encounters all the more special.

## DAY 1 | Bergen, embarkation

Your journey begins in Bergen, 'The City of Seven Mountains,' renowned for its colourful wooden wharves and bustling fish market.

## DAY 2 | Florø – Molde

Sail through idyllic fjords, past islets and skerries to the stylish town of Ålesund and its distinctive Art Nouveau architecture.

## DAY 3 | Kristiansund – Rørvik

Visit Nidaros Cathedral, Norway's most famous church, and stroll through the charming Baklandet district in the old Viking city of Trondheim.

## DAY 4 | Brønnøysund – Svolvær

Join us out on deck for a traditional ceremony to mark crossing the Arctic Circle. You're

now in the realm of winter's Northern Lights and summer's Midnight Sun.

## DAY 5 | Stokmarknes – Skjervøy

Explore the city of Tromsø, the Arctic capital or enjoy an optional seasonal excursion such as skiing, kayaking, dog sledding, or cruising on a silent, electric boat.

## DAY 6 | Øksfjord – Berlevåg

Welcome to Troms & Finnmark, Sámi country, where the fjords make way for tundra, the bird cliffs of Honningsvåg and spectacular North Cape at the top of Europe.

## DAY 7 | Båtsfjord – Kirkenes – Berlevåg

Kirkenes, a short distance from the Russian border, marks your

turning point. Ports that were passed at night northbound are now visited during the day southbound.

#### DAY 8 | Mehamn – Tromsø

Visit Hammerfest, home to the UNESCO-listed Meridian Column. Take in the views of the Lyngen Alps before arriving in Tromsø to enjoy an optional midnight concert.

#### DAY 9 | Tromsø – Stamsund

See the unspoilt beauty of the fabled Vesterålen and Lofoten islands. Admire the dramatic scenery from out on deck or on an optional excursion.

#### DAY 10 | Bodø – Rørvik

The stunning Helgeland coast awaits, including the Seven Sisters mountain range and Torghatten Mountain, pierced by a natural tunnel.

#### DAY 11 | Trondheim – Ålesund

Revisit the royal city of Trondheim, then sail to Kristiansund, Norway's 'Bacalao Capital' before you reach Molde via the majestic Romsdal Alps. *You can choose to end your voyage in Trondheim. This gives you the option of taking the Dovre Railway to the cosmopolitan capital of Oslo.*

#### DAY 12 | Bergen, disembarkation

Don't miss views of Nordfjord before you disembark in Bergen. You can also add one of our post-voyage programs to explore more of Norway.

# Classic Voyage North

One week sailing north to the top of Norway, visiting the coast's biggest cities and towns along the way. Best for those that like history, culture, shopping, and sightseeing.

Starting from Bergen and disembarking in Kirkenes in the north, you'll be able to spend hours exploring the Art Nouveau inspired town of Ålesund; the royal city of Trondheim and its Nidaros Cathedral; Bodø just above the Arctic Circle, and Tromsø, capital of the Arctic.

It's not all about the towns and cities though. Sail in the summer between June 1 and August 31 to bask in the beauty of UNESCO-

listed Geirangerfjord. Or choose an autumn adventure from September 1 to October 31 for the hidden gem of Urke in Hjørundfjord.

# Classic Voyage South

The ideal pick for nature lovers with less than a week to spare. You'll enjoy daytime sailings of Norway's most beautiful archipelagos and striking mountain ranges.

Start at the top of Europe and sail south along the dramatic Arctic landscapes of northern Norway. We'll then weave through the achingly beautiful Vesterålen and Lofoten islands, with a possible detour into Trollfjord.

Further south, the ship takes in views of the Helgeland coast. Legend has it that the Seven Sisters mountain range are seven

troll princesses turned to stone. Likewise, the dramatic natural tunnel that pierces the centre of Torgatten mountain is also the inspiration for local lore.

# Excursions on The Coastal Express

From dog sledding to king crab fishing, make the most of your experience aboard The Coastal Express.

## Something for everyone

A wide choice of optional excursions allows you to delve more deeply into the dramatic landscapes and charming culture of Norway at many of the 34 ports. On some excursions, you'll be so busy exploring that you'll stay longer than the scheduled port stop, instead meeting up with your ship at the next port later in the day.

Take your pick of active adventures such as kayaking the River Nid or snowshoeing in Tromsø. Or go on a fascinating historic tour of Nidaros Cathedral in Trondheim. We also recommend cultural visits that introduce you to Sámi culture or to the workings of a family-run dairy farm in Lofoten.

## The best of the seasons

While many of the more-than-70 excursions are offered year-round, some are specific to Norway's four seasons. Summer and autumn are glorious times to be in Norway, with a range of excursions like cycling and RIB boat safaris that take advantage of the weather.

The cooler weather of winter and spring turns Norway into a wonderland of snow, best enjoyed on excursions such as dog sledding or cross-country skiing for beginners. Or how about trying your hand at snowmobiling over a frozen fjord, hopefully with the Northern Lights dancing above?

## The right fit

Our diverse excursions cater not just for varied interests but also for different mobility levels, so you can choose the activity that's right for you.

<b>Level 1</b>	Easy	Suitable for most guests
<b>Level 2</b>	Moderate	Some mobility needed
<b>Level 3</b>	Active	Good mobility needed
<b>Level 4</b>	Challenging	Good mobility and fitness needed

## Nature runs the show

Though we always do our utmost to stick to our sailing schedule, the weather on the Norwegian coast often has other plans.

When the water is too choppy or the fog is too thick, your safety comes first, every time. That's the case even if it means we have to change our itinerary or cancel onshore excursions at the last minute.

**A word on wildlife**  
Just like weather on the Norwegian coast, we can't control what wildlife you get to see on your voyage with us. A lot depends on the season, migration patterns, and pure luck.

Nature and wildlife on the Norwegian coast are unpredictable, but really, that's what makes the surprise encounters all the more special.

Please make sure you are back on board the ship well before the departure time.  
Please note that at those ports where we only dock for a short time, it may not be practical or possible to disembark the ship.

# MS Richard With

It's only right that one of our ships should bear the name of our founder Captain Richard With. Thanks to his vision and entrepreneurship, we are The Original Norwegian Coastal Express, helping coastal communities survive and thrive. The ship was refurbished recently as part of the largest upgrade project in our more-than-130-year history.

Welcome aboard

# The Svalbard Express & The North Cape Express

---

Spend an average of six hours in each of our carefully chosen ports, being inspired by the wild beauty, stories, and adventures of Norway and the Far North.

# Classic and contemporary

Life at sea aboard your ship, MS Trollfjord, is a marriage of modern comforts and age-old maritime ambience.

TOP: GESSEN MILLS; BOTTOM: GAGLIUTYANE CONCELLON

## Natural design

Whether you sail The Svalbard Express or The North Cape Express, you'll see that MS Trollfjord is an homage to Norwegian nature and to our over 130-year heritage sailing the Norwegian coast.

Locally sourced natural materials such as wood and stone feature prominently throughout the ship's furnishings, reflecting the beauty of the fjords we sail through.

The style of décor is classic, timeless, and unique in our fleet. The discerning eye will pick up details and flourishes that evoke a sense of nostalgia, harking back to a golden era of exclusive small ship sailing.

## For fabulous views

The furnished outdoor deck at the top of the ship is the place to go to enjoy some bracing sea air while the two-story observation lounge offers unmatched views of the Norwegian coast from the bow.

You'll also find the panoramic sauna and fitness room on the same deck. The floor-to-ceiling windows allow you to work up a sweat while admiring the spectacular scenery.

## The high life

Next to the suites on the upper deck are the library and Espolin Johnson Lounge, which in turn connects to the splendid à la carte fine dining restaurant Røst, where suite guests can take all their meals.

Your Coastal Experience Team can usually be found on this deck too, busy organizing onboard activities, optional hikes, or booking you on exciting excursions.

## For mind and body

The hub of the ship is the middle deck where main restaurant Flora and Brasserie Árran are both based. Each features large windows for you to enjoy views of the coast as you partake of the many delicious delights they both provide.

This central deck is also home to the lecture hall and rooms at the front of the ship. The Coastal Experience Team will deliver fascinating presentations on various facets of Norway here. On some nights, the lecture hall transforms into a cinema that plays a selection of fan-favorite films.

# At home with us

No one knows our home, the Norwegian coast, like we do.  
As your hosts, MS Trollfjord's Coastal Experience Team  
will prove that true.

## Knowing Norway

As we sail, our team of local guides will be on board with you to share intriguing insights into Norwegian coastal culture. Each day has its own unique theme which will usually align with the history of the port we are due to visit.

Whether in-depth presentations in the lecture hall, informal talks out on deck about points of interest in the passing landscape, or just a jovial chat at the bar in the evening, these nuggets of knowledge will enhance your exploration of Norway, our communities, and our heritage.

Possible themes and topics:

- Viking legends and history
- Norway's maritime heritage
- Our fjords and mountains
- Norwegian wildlife
- Our love of the outdoors: *friluftsliv*
- Winter fun in Norway
- Behind the scenes on a working ship

## Active relaxation

Start your day by joining one of the crew for a morning stretch on yoga mats. Most of your afternoon will likely be spent ashore, exploring the port we are visiting and engaging in optional excursions.

There are gatherings in the evening when you are back on board the ship; a chance to recap the day's excitement, show off favorite photos, or to enjoy a movie in the lecture hall turned cinema.

## Pleasant pastimes

You'll also be able to enjoy relaxing pursuits on board the ship in hands-on arts and crafts sessions. Channel the inspiring views into a landscape painting or get started on making your

own *lusekofte* hand-knit Norwegian jumper.

Informal photography sessions will reveal tips for shooting the perfect image, from capturing the Northern Lights to zooming in on the many migrating birds in summer.

There'll also be cooking demonstrations, such as how to prepare the best Norwegian *gravlax*, as well as tastings of regional specialities.

## Meet Hege Børresen

### Nature and Culture Lecturer

Originally from Trondheim, Hege's spirit of adventure led to 20 years living in Greece. And then to the Coastal Experience Team when she moved back to the Norwegian coast.

"I have worked as a nature

and culture guide aboard Hurtigruten since 2017 and I can't imagine any other job! I have family in northern Norway and like to tell stories about them in my lectures.

I also love to go on mountain walks, along the sea, and I have a real interest in geology. I also know a lot about Norway's many edible mushrooms and berries!"

# The art of exquisite cuisine

---

Aboard MS Trollfjord, you'll savour the rich bounty of the Norwegian coast, crafted into sublime dishes that showcase Nordic gastronomy at its best.

## Norway's Coastal Kitchen

At Hurtigruten, our culinary North Star is the Norwegian coast. It is our inspiration and our pantry. Our ships are floating kitchens that showcase the finest produce the Norwegian coast and all of Norway have to offer.

We champion around 70 local suppliers the full length of Norway, supporting a circular economy that gives back to the family-run farms and fishing communities of the coast.

## Closer through cuisine

As you sail The Svalbard Express or The North Cape Express, you pass the very fjords that gave us the flaky fish you enjoyed as a starter, the forests that grew the herbs that garnished your salad, and the mountain slopes that reared the succulent lamb we served for dinner.

Savor dry-aged beef served by a chef who shares details about the meat's provenance. Delight in beer made from water sourced in Trollfjord and learn all about the distinctly Nordic spirit *aquavit*.

## With heritage at its heart

The restaurants and menus aboard MS Trollfjord represent Norway's gastronomic past, present, and future. Archived menus from decades ago inform and inspire innovation.

Traditional preservation methods perfected by our forebears through a thousand Arctic winters are harnessed and honed to enhance the recipes of today.

## Consciously sourced

Our chefs have also whole-heartedly embraced sustainably sourced ingredients that balance ecosystems, such as the vital chain between sea kelp, sea urchins, and catfish.

Together with gourmet plant-based dishes, greener, healthier, and more environmentally conscious cuisine is the future of food and features prominently in the menus on board.

©STIAN BROCH / HURTIGRUTEN NORWEGIAN COASTAL EXPRESS

CLOCKWISE FROM TOP: ©SCHIBSTED, ©ESPEN MILLS, ©ESPEN MILLS

MS Trollfjord's main restaurant, Flora, is inspired by Norway's herbs, berries, mushrooms, flowers, fruit, and vegetables. Come here for bountiful self-service breakfast buffets and fixed seating à la carte lunches and dinners.

Depending on what's in season, you could be tucking into dishes such as lightly smoked Arctic char, plant-based Wellington with sugar kelp confit from our own kelp farm, or flavoursome wild game enriched by grazing on berries, herbs, and flowers.

Árran is the northern Sámi word for the fire at the heart of their traditional *lavvo* tent. The *árran* is where Sámi gather to eat and share stories, which is exactly the ethos of Brasserie Árran.

Come to this self-seating restaurant for traditional dishes with a modern twist such as *bidos* (a Sámi reindeer stew), *souvas* (sliced smoked reindeer meat) with lingonberry aioli, pickled herring on rye bread with cured egg yolk, and desserts like applewood-smoked cheesecake with sea buckthorn.

Named after the fish bank of Røst in the Lofoten islands, our Arctic fine dining restaurant is an homage to the exotic banquet of food that flourishes in the sea and all along the coast.

A three-to-five course menu rotates throughout your voyage, featuring some 16 beautiful and palate-pleasing signature seasonal dishes. Our resident sommeliers are also on hand to help pair each dish with the perfect wine. Dining in Røst for all meals is included for suite guests, as well as a splendid afternoon tea each day.

The 1893 Bar sits within the two-storey panoramic lounge on the top decks of the ship. It is named after the year Hurtigruten was founded, representing over 130 years of sailing the stunning Norwegian coast.

Settle down in a comfortable chair with your choice of drinks. Four different Norwegian beers are on tap, with one of them – an organic IPA named 'Iconic' – made especially for us by Mack Brewery. Or will it be a Nordic-themed cocktail made with berries picked along the Norway's coast? Or both?

# Relax and refresh

---

After spending your day enjoying the Norwegian coast, the cabins and suites aboard MS Trollfjord are a stylish, comfortable harbour to lay your head.

## EXPEDITION SUITES

Our spacious suites are all located on the upper decks and offer you the finest sailing experience with views to match. Expect plush en-suite bathrooms, unlimited minibar use, and soft, king-size beds.

Suite guests can also take all their meals at fine-dining restaurant Røst, with a wide range of deluxe drinks included.

### Owner's Suite

These top-tier suites consist of a lounge area, bedroom, and an en-suite bathroom with a bathtub. The added wow-factor is a private balcony from where you can watch the Norwegian coast go by.

### Grand Suite

The second largest suite on the ship has a dedicated seating area plus a bedroom with an en-suite bathroom. Most have bay windows, a few have private balconies, and some of the bathrooms have a bathtub.

## Suite

These elegant suites come with a seating area as standard, in addition to the bedroom and an en-suite bathroom with a shower. Some feature a private balcony where you can enjoy the fresh sea air.

### Mini Suite

Smaller but by no means less stylish, these suites still sport a luxuriously large king-size bed to sleep and snuggle in. Most have chairs or a sofa to relax on as well.

## CABINS

Varying in size, cabins can be found on every deck with en-suite bathrooms with a shower. Guests staying in cabins have full-board dining for all three daily meals, including a selection of drinks, at the main restaurant Flora, Brasserie Årran, and 1893 bar.

### Arctic Superior

Pure comfort is the hallmark of these cabins. Situated on almost every deck, they all have

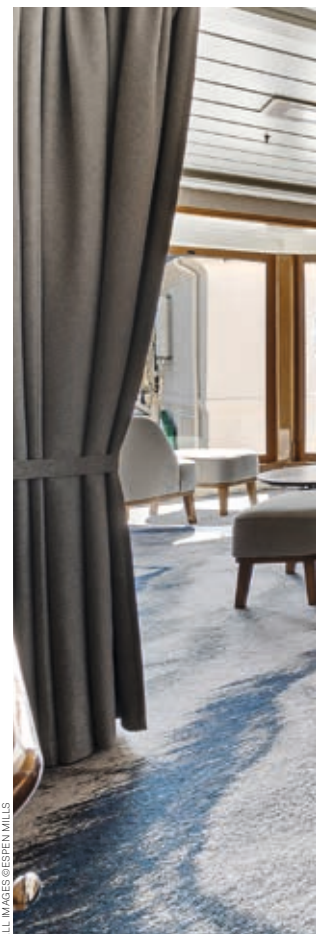

en-suite bathrooms with a shower and enjoy views of the coast.

### Polar Outside

Our Polar Outside cabins are mostly on the lower decks. All have en-suite bathrooms with a shower. Most feature a window or small porthole for exterior views.

### Polar Inside

These are similar in size to Polar Outside cabins, just without the window. Cabins may have two or more single beds, with one of the beds converting into a sofa.

# Voyages of The Svalbard Express

---

Sail the mainland Norwegian coast across the Arctic Circle to reach the Svalbard archipelago at the top of the world.

## **Nature runs the show**

Though we always do our utmost to stick to our itinerary, the weather on the Norwegian coast and in Svalbard sometimes has other plans.

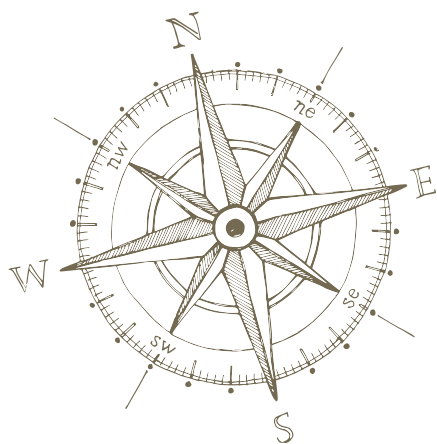

When the water is too choppy or the sea ice is too thick, your safety comes first, every time. That's the case even if it means we have to change our itinerary or cancel onshore excursions at the last minute.

## **To bear in mind**

Just like the weather, we can't control what wildlife you get to see on your voyage with us. A lot depends on the season, migration patterns, and luck.

Nature and wildlife on the Norwegian coast and Svalbard are unpredictable, but really, that's what makes the surprise encounters all the more special.

Embark on a sailing deep into the Arctic Circle to the last town before the North Pole, painted in the 24-hour light of summer's Midnight Sun.

## Day 1 | Bergen

Fly to Norway from the UK to arrive at its second largest city: beautiful Bergen on the west coast. Check in to your hotel before going on a wander around the city center. One night in a centrally located four-star hotel.

## Day 2 | Bergen

Have breakfast at the hotel and spend the morning exploring Bergen at your leisure before boarding MS Trollfjord for your Svalbard Express voyage.  
*Depart: 2:30pm*

## Day 3 | Åndalsnes

This alpine village is Norway's mountaineering capital thanks to its location at the foot of beautiful mountains along Isfjord and Romsdalsfjord.

*Time in port: 5.5 hours*

## Day 4 | Træna

An archipelago along the Helgeland coast, Træna is home to one of Norway's oldest fishing villages as well as a large population of Sea Eagles.

*Time in port: 4 hours*

## Day 5 | Stokmarknes

This port in the Vesterålen archipelago is our birthplace. The Hurtigruten Museum features our retired ship from 1956, allowing you to literally walk through our history.

*Time in port: 4.5 hours*

## Day 6 | Tromsø

Tromsø is the historic and modern-day jewel of the Arctic, boasting top restaurants and the world's northernmost university.

*Time in port: 10 hours*

## Day 7 | Honningsvåg

Welcome to the gateway to North Cape. At 71°N, it is the famed northernmost point of the European continent, marked by a clifftop globe monument.

*Time in port: 8 hours*

## Day 8 | At sea

Relax in MS Trollfjord's two-storey panorama lounge or on its large outdoor sundeck while taking in views of the isolated island of Bjørnøya in the middle of the Barents Sea.

### Day 9 | Longyearbyen

Arriving at this thriving Arctic frontier town, nestled by a fjord and surrounded by lush green and brown mountains, you've reached the edge of the world.

*Time in port: 6 hours*

### Day 10 | Ny-Ålesund

See Kongsfjord, scan for Svalbard wildlife like reindeer, walrus, and perhaps even polar bears, as we sail to Ny-Ålesund, a climate research centre in a former coal mine town.

*Time in port: 4 hours*

### Day 11 | At sea

The ship turns south to head back to the Norwegian mainland. Enjoy lectures and activities from your Coastal Experience Team, such as photography classes and arts and crafts sessions.

### Day 12 | Tromsø and Senja

Calling back at Tromsø briefly, we'll continue to the island of Senja. Its varied landscapes place it in CNN's ranking of the top ten most beautiful islands in the world.

*Time in port: Tromsø: 1 hour*

*Senja: 3 hours*

### Day 13 | Svolvær

A bustling town at the heart of the breathtaking Lofoten islands, it is the ideal base for exploring more of the archipelago and surrounding coastal villages.

*Time in port: 8 hours*

### Day 14 | Brønnøysund

This stretch of the Norwegian coast, called Helgeland, is known for the UNESCO-listed Vega archipelago and for its distinctive mountains which have inspired local tales of trolls.

# Excursions on The North Cape Express

Specially selected for The North Cape Express, these unique experiences across autumn, winter, and spring showcase the best of the Norwegian coast.

## Seasonal escapades

Given The North Cape Express sails over three seasons, there are a range of excursions to suit the weather in each, not to mention catering to diverse interests from WWII tours and Viking heritage through to beer tasting and whale watching.

Depending on when you choose to travel, you can dog sled in winter or dog sled on wheels in autumn and spring. Try your hand at fishing with a local fisherman in the waters of Lødingen or take to ice-fishing at a frozen lake in winter at North Cape.

## Closer connections

The North Cape Express voyages nurture relationships both old and new as we travel to communities along the glorious Norwegian coast. Choosing local excursion providers to further explore each stop creates sustainable tourism and a circular economy that invests in local livelihoods and people.

For example, the port stop Lødingen gives us the opportunity to foster a new partnership with a welcoming Sámi family. Being able to visit them in their home grants our guests a glimpse into their lives and their unique customs that have been passed down through the ages.

Welcome aboard

# The Spitsbergen Adventurer

---

Embark on venerable ship MS Nordstjernen for a nostalgic voyage to the raw and remote reaches of Svalbard, in search of polar wildlife under the Midnight Sun.

The commercial operator for  
The Spitsbergen Adventurer  
is Hurtigruten Svalbard AS.

# Into the polar wilderness

Embrace your sense of adventure as we sail to 80°N on a classic ship along the wild northwest corner of Spitsbergen, the largest island in the Svalbard archipelago.

Longyearbyen

Magdalenefjord

©ANDREA KLAUSNER

## Discover the High Arctic

The Spitsbergen Adventurer sets forth to a land of fjords and glaciers, with few remaining buildings. There are no ports for us to dock at. Instead, weather and sea ice willing, you'll go ashore for escorted nature landings aboard tender boats that launch from your ship.

If the elements allow, you'll reach the roof of the world at 80°N and then return to Longyearbyen to tell the tale.

Along the way, you'll bear witness to bronze mountains, the cone-shaped remnants of volcanoes, and shores scattered with relics of the island's mining, hunting, and whaling history.

## Land of the polar bear

The northwest corner of Spitsbergen is a nature reserve, home to polar bears that prowl the shores and sea ice for seals. Reindeer and Arctic foxes roam the tundras, walrus lounge along the coast, and

minke and beluga whales frequent the waters. Guillemots and kittiwakes nest on the sheer cliffs of Alkehornet. Look for Little Auks, Arctic Terns, skuas and Barnacle Geese in Magdalenefjord, and Atlantic Puffins in Kongsfjord.

## Nautical nostalgia

Your ship for this short odyssey into this remote part of the planet is the much-beloved MS Nordstjernen, aptly named after the North Star.

Built in 1956, it is our longest-serving vessel. Even with modernisation in 2013, we wanted to retain the ship's vintage charm, and have preserved its wood and brass furnishings. Together, the décor and ambience make you feel you have turned

back time and are sailing on a traditional adventure cruise from a bygone era.

## Salt-of-the-earth shipmates

MS Nordstjernen is also one of the smallest ships in the Hurtigruten fleet, which lends to a friendly, close community on board. This informal atmosphere is also a result of the camaraderie of the expert Expedition Team and the crew. There's no snobbery. Just the simplicity of an old-fashioned exploration by sea.

You'll find the Expedition Team are explorers and outdoor lovers, as happy organising shore landings for you as they are regaling you with insights of Svalbard's history, geology, and wildlife.

## Meet Jonas Storsæter

### Expedition Team Leader

Norwegian army, a cowboy in the Australian bush, and a camp instructor in northern Norway, he moved to Longyearbyen to study biology, which is when his passion for Svalbard began.

"I love the frontier feeling one gets from living on this wild island. My favourite place is undoubtedly Magdalenefjord, with its impressive jagged mountains."

Raised on a farm just outside Bergen, Jonas has always loved nature and wildlife. After stints as a ranger in the

## Svalbard

### Nature runs the show

Though we always do our utmost to stick to our itinerary, the weather on the Norwegian coast and in Svalbard sometimes has other plans.

When the water is too choppy or the sea ice is too thick, your safety comes first, every time. That's the case even if it means we have to change our itinerary or cancel onshore excursions at the last minute.

### To bear in mind

Just like the weather, we can't control what wildlife you get to see on your voyage with us. A lot depends on the season, migration patterns, and luck.

Nature and wildlife on the Norwegian coast and Svalbard are unpredictable, but really, that's what makes the surprise encounters all the more special.

## Longyearbyen – Leifdefjord – Longyearbyen

### Itinerary

#### Day 1 | Longyearbyen

Arrive in Longyearbyen, the largest settlement in Svalbard. Once a coal mining colony, it is now a hub for adventure travelers, scientists, and engineers. Enjoy an inclusive dinner at one of Longyearbyen's excellent restaurants before staying the night at a local hotel.

#### Day 2 | Longyearbyen & Isfjord

After breakfast and lunch, join a tour to Svalbard Museum and Camp Barentz. Board the historic MS Nordstjernen later in the afternoon and sail Isfjord, the largest fjord in the island of Spitsbergen.

#### Day 3 | Magdalenefjord

We hope to make a landing in this fjord, surrounded by jagged

mountain peaks that inspired Spitsbergen's name. Look for whales and maybe polar bears as we make our way to the shore. On the beach, you'll see evidence of 17th century whaling and a variety of seabirds which breed on the scree slopes.

#### Day 4 | Woodfjord, Liefdefjord, Moffen

At Woodfjord, you'll be treated to a landscape of thermal springs beneath striking red Devonian sandstone mountains. Liefdefjord tends to be full of noisy seabirds like kittiwakes, terns, and eiders. We may attempt to sail above 80°N to the small island of Moffen, known for its large walrus population.

#### Day 5 | Kongsfjord & Ny-Ålesund

The 'King's fjord' is the largest

fjord in this area, with its entrance guarded by two spectacular glaciers that feed icebergs into the waters. A dozen islands in the fjord are home to protected Pink-footed Geese. We also drop by Ny-Ålesund, a small settlement of 35 people at an international science centre.

#### Day 6 | Longyearbyen

Your thrilling adventure into the High Arctic ends when MS Nordstjernen brings you back to Longyearbyen via Isfjord.

## Longyearbyen – Moffen – Longyearbyen

### Itinerary

#### Day 1 | Longyearbyen

Start your adventure with a  
night in a local hotel in this  
Arctic frontier town

#### Day 2 | Longyearbyen & Isfjord

Peruse Svalbard Museum  
and visit Camp Barentz before  
boarding the ship to sail Isfjord.

#### Day 3 | Magdalenefjord & Moffen

Explore one of Svalbard's most  
scenic fjords as we attempt to sail  
to Moffen island above 80°N.

#### Day 4 | Kongsfjord & Ny-Ålesund

Impressive 'King's fjord' is  
framed by two glaciers that flank  
the entrance to the small science  
community at Ny-Ålesund.

#### Day 5 | Longyearbyen

We return to Longyearbyen,  
admiring views of the horned  
peak of Alkehornet mountain.  
Enjoy a farewell dinner with  
your shipmates before staying  
the night in a local hotel.

#### Day 6 | Longyearbyen

It's time to say goodbye to  
Svalbard and your time exploring  
its largest island: Spitsbergen.

# General Terms and conditions

These Terms and Conditions are effective for bookings made as of April 3, 2023.

## IMPORTANT NOTICE

*Please read the terms and conditions of this Guest Passage Contract (the "Contract") carefully as they constitute the complete and entire legally binding agreement between you and Hurtigruten Americas, Inc. as to the subject matter discussed below. Please pay particular attention to the terms and conditions as they include limitations on our liability and your right to sue.*

This Contract applies to the sea passage as well as to all other products or services of any kind whatsoever provided for or arranged by Hurtigruten Americas, Inc., their agents or independent contractors. These terms and conditions represent the entire agreement and a binding contract between Hurtigruten Americas, Inc. and the customer. These provisions supersede any oral or written representations. Any change in these provisions must be in writing signed by the president of Hurtigruten Americas, Inc. The transports of passengers, baggage and vehicles is subject to the provisions of the Act no. 39 of 24 June 1994 Norwegian Maritime Code, as amended ('**Norwegian Maritime Code**'). A copy of the Norwegian Maritime Code in Norwegian and in English, are on file with Hurtigruten and available upon request. The terms and conditions of this Contract are drawn up in accordance with the Norwegian Maritime Code. However, in case of conflict between this Contract and the Norwegian Maritime Code, this Contract shall take precedence.

## 1. YOUR CONTRACT

Your Contract partner is Hurtigruten Americas, Inc. When used in this Contract, 'you,' or 'customer' means each person whose name appears on the face of the ticket and/or who uses the ticket for passage on the cruise described in the ticket and their successors and assigns, including Transferees (as defined below). 'Hurtigruten,' 'we,' and 'us,' means Hurtigruten Americas, Inc. and its subsidiary, affiliate, and parent companies, agents, assigns and vessels they own or charter.

If you are booking your travel or cruise through a travel agent or if any other person is booking or paying for your travel or cruise (or both)—for example, a person buys you a cruise as a gift—that person buying the cruise for you, booking or otherwise paying on your behalf, or communicating with us on your behalf, will be considered as and referred to in these terms and conditions as your **"Agent."** Depending on your relationship with your Agent, that person may be authorized to book on your behalf, pay on your behalf or both or conduct other activities in your name. In any case, when we use the term "you" in these terms and conditions in connection with your obligations or requirements (payment, confirmation of accurate, information, etc.), you may fulfill the requirements on your own or you may use your Agent to fulfill them, as applicable. However, all waivers, confirmations of authority, indemnities and releases shall be deemed made by you, personally, and not your Agent unless otherwise agreed to between you and your Agent. In addition, each customer acknowledges and agrees that **our obligations are only to customers, and not to any Agents as we have no contractual relationship with nor any obligations to any Agents and also that we are not responsible or liable for any claims or issues arising out of your relationship with your Agent(s).**

When you book travel or a cruise with us, this Contract is regarded as binding once Hurtigruten receives the first payment from you that is required under section 3 below. Hurtigruten is then responsible for delivering the products/arrangements you have booked while you are financially responsible for the booking. The moment you make a booking you are confirming at the same time that you have the authority to accept these terms and conditions on behalf of yourself and any travel companions (i.e. other customers). For clarity, and as indicated above, when we say "you" in this paragraph (and certain

others as indicated), we mean either you or your Agent, as determined between you and said Agent and as long as the Agent does have the authority to accept these terms and conditions on your individual behalf and on behalf of all other listed customers.

You accept responsibility for payment to us for all customers in your booking. The customer is solely responsible for ensuring that the actual reservation corresponds with the booking made. As the person making the booking you are also responsible for ensuring that the names on all documents are correct and in accordance with the passports of all customers for whom you are making the booking. As the person making the booking you will also be responsible for ensuring that all travel companions in the booking are kept fully informed of what was booked and any changes that may arise. If you are booking your trip via an Agent, all communication shall take place via the Agent. Note that certain Agents may have additional terms and conditions that you will be subject to when booking travel through them. Always quote your booking number when contacting Hurtigruten.

For security reasons all adult passengers are required to provide contact information, including phone number and e-mail. We will not issue travel documents before we have received this information.

We reserve the right to assign our rights and obligations without your prior consent under these terms and conditions, the booking confirmation and the full and entire travel package Contract between you and us to another company within the Hurtigruten group. In such cases you shall receive an advance notice of such assignment from us.

## 2. GOVERNING LAW AND FORUM SELECTION CLAUSE

ANY DISPUTE ARISING OUT OF OR IN CONNECTION WITH THE PASSENGER TICKET, THESE TERMS AND CONDITIONS AND YOUR CRUISE SHALL BE DETERMINED EXCLUSIVELY BY THE COURTS OF OSLO, NORWAY, THE JURISDICTION TO WHICH WE AS THE CARRIER, AND YOU HEREBY SUBMIT OURSELVES. THESE TERMS AND CONDITIONS SHALL BE GOVERNED BY THE LAWS OF NORWAY.

## 3. PAYMENT

Payment is due immediately for all bookings which have a total price of less than USD \$1,340.00, including taxes and additional charges. For all other bookings, payment is due as follows:

- i. If you book 90 days or more before your scheduled departure date a non-refundable deposit of 25 % shall be paid when you book. The balance is due 90 days before your scheduled departure date. No second invoice will be sent. Travel documents will be issued 7 to 14 days prior to departure.
- ii. If you book less than 90 days before your scheduled departure date the full price is payable when you book.

If you fail to make any payment by the date on which it is due under this Contract, Hurtigruten reserves the right to cancel the booking, keep the deposit and demand a cancellation fee in accordance with Section 11 below. In the event of special promotions, the total amount may be due immediately at the time of booking. Your travel documents will be sent as soon as Hurtigruten has received full payment.

## 4. HEALTH, SAFETY AND FITNESS TO TRAVEL ON THE SHIP; DISABILITY OR OTHER MOBILITY CONCERNS; PREGNANCY; CONSENT TO MEDICAL TREATMENT

### General Health and Safety.

To make sure we are able to carry you and our other passengers safely and, in particular, in accordance with applicable safety requirements and laws established by international and U.S. law, including the laws of the ship's flag state, **you represent and**

**warrant that you are fit to travel by sea and that your conduct or condition will not impair the safety of the ship or inconvenience the other passengers.** Please also be sure to review our COVID-19-specific terms and conditions below; those are in addition to and do not replace these terms.

### Notification of Special Conditions; Mobility Concerns; Mobility Equipment

As soon as possible during booking and, in any case, before boarding, you must notify us of any medical condition for which you or any person accompanying you may require either medical attention or accommodation during the cruise, including but not limited to food allergies, the requirement to bring medical or mobility equipment on board (including a wheelchair) or the requirement for a service animal. **The customer assumes all risks arising out of the customer's personal medical condition prior to the cruise, whether or not that condition is disclosed to Hurtigruten. If you or anyone in your party requires the use of a wheelchair, you must provide your own.** Hurtigruten strongly recommends—but does not require—that customers with physical disabilities or medical conditions that may require special assistance before, during, or after the cruise be accompanied by someone who is able to assist both ashore and at sea, as Hurtigruten is unable to offer such services. **Medical facilities are not available aboard the ship,** and there may be circumstances beyond Hurtigruten's control that may prevent or delay a medical evacuation or disembarkation. While a doctor or medical personnel may be on board the ship, these individuals are not agents or employees of Hurtigruten, but are independent contractors.

Please note that we may decline to carry certain medical or mobility equipment where it is not safe to have such devices or equipment on board or where we have not been notified sufficiently in advance to permit us to investigate the potential risks associated with same nor whether reasonable accommodations might be made.

Moreover, certain international or local safety requirements, standards and/or applicable laws relating to design, construction or operation of the vessel, docks, gangways, anchorages or other facilities on or off the vessel may restrict access to facilities or activities for persons with mobility, communication or other impairments or special needs. **The captain shall have sole discretion to determine whether physical conditions may prevent a customer from going ashore in such situations.**

General information about a trip or expedition's suitability for persons with reduced mobility is provided in the sales and marketing material for that trip or expedition and specific information is available upon request.

### Refusal to Embark; Additional Requirements.

We reserve the right to require you to produce medical evidence of fitness to travel to assess whether we can carry you safely in accordance with the above-referenced laws and requirements and our industry standards. If we consider it necessary, we are entitled to administer a health questionnaire prior to boarding which may include questions about your exposure to certain infectious diseases. If it appears to us, the ship's captain or our nominated medical representative that you are unable or unfit to travel, likely to endanger your own safety or the safety of any other passengers or our crew, likely to be refused permission to land at any port, or likely to render us liable for your or any other passenger's maintenance, support or repatriation, then we, including through the ship's captain, shall have the right to take any of the following actions to which you consent, as applicable, by your entering into this Contract:

- i. Refuse to embark you at any port;
- ii. Disembark you at any port;
- iii. Transfer you to another berth or cabin;
- iv. If Hurtigruten's nominated medical representative considers it advisable, to

place or confine you or to transfer you to a health facility at any port, at your expense;

- v. To administer first aid and administer any drug, medicine or other substance or to admit and/or confine you to a hospital or other similar institution at any port provided that the ship's nominated medical representative or captain considers that any such steps are necessary for your safety, health or wellbeing or the safety, health or wellbeing of other passengers and the crew.

#### Consent to Medical Treatment; Disclaimers of Liability

Without affecting our general or specific disclaimers or limitations of liability elsewhere in this Contract, Hurtigruten shall not be liable for any aspect of medical treatment provided to the customer, including, but not limited to, the consequences of any examination, advice, diagnosis, treatment, prognosis or other services that such doctor or medical personnel may furnish the customer. It may be necessary for the customer to obtain shoreside medical service during or after the cruise in countries other than the United States in which a different standard of medical care applies than to which the customer may be accustomed. Hurtigruten makes no warranty as to the quality of any such medical services. **If a doctor or other medical personnel is aboard as an independent contractor of Hurtigruten, and if in the opinion of such personnel the customer needs medical attention, and if after embarkation the customer is unable to re-quest or authorize such treatment, the customer hereby consents to treatment by such individuals, or by a physician designated by Hurtigruten.** The customer shall be charged for, and shall pay for, medical services and for medication and supplies used for his or her medical treatment. The customer shall also be responsible for the payment of any medical expenses incurred ashore.

Finally, if we refuse to embark you for health and safety-related reasons or because we consider you otherwise unfit to travel, we will not be liable for any loss or expense you incur as a result, nor shall you be entitled to any compensation from us.

#### Pregnancy

Pregnant women are welcome onboard our cruises up to their 24th week of pregnancy (i.e. through week 23), however, we recommend seeking medical advice before travel at any stage of pregnancy. For the sake of the mother and baby, we may also require a medical certificate if we feel the situation warrants it. We do not permit pregnant women to travel with us who are more than 23 weeks into their pregnancies.

#### 5. PRICES

The fare set forth in this Contract is stated in U.S. dollars, is per person based on double occupancy and does not include land arrangements or services, unless otherwise expressly agreed in writing by Hurtigruten.

The fare does not include items of a personal nature, including but not limited to, laundry, liquor, beer, or wine, unless otherwise indicated. The full and correct price of the trip is given before a booking is confirmed, except as set forth below.

The fare includes taxes, fees, port expenses, and charges imposed by governmental or quasi-governmental authorities. Hurtigruten reserves the right to add certain specified additional charges to the price of your booking such as, for example, a fuel surcharge, in the event that there may be increased costs or if an airline raises rates or imposes surcharges up to 30 days before departure. Hurtigruten reserves the right to collect the fare in effect at the time, and as a condition, of embarkation. Should prices be reduced as a result of the same changes mentioned above, the price adjustment will be credited to you. In the event of price increases of more than 10 percent, you retain the right to cancel your booking at no charge, with a full refund of all amounts paid. Should you wish to cancel your booking as mentioned above, notification of

this must be received by Hurtigruten at the below address, at least 14 days from the date of the new invoice showing the increase in price.

#### 6. AIR TRAVEL

You may choose to book your airfare through Hurtigruten. However, all such arrangements are made by us solely as your authorized agent and for your convenience and are at your risk. Air travel providers, owners, and operators are independent contractors and are not acting as agents or representatives of Hurtigruten. Hurtigruten does not undertake to supervise or control such independent contractors or their employees, and makes no representation, express or implied, as to their suitability or safety. Hurtigruten shall not be liable for any delay, damage, injury, death, or loss of any kind whatsoever due to the acts, omissions, or negligence of any air travel providers, owners, operators, or their employees or agents. The prices specified for air travel on Hurtigruten's website or in other advertising materials are based on available seats in the lowest pricing category for flights. If these seats are not available at the time of booking, Hurtigruten will seek to offer the lowest available flight price. The flight price will be quoted upon request and the quote will be provided within one to two business days. If we are required to book the airline's published fare for you, once you accept the quoted flight price, you may be required to pay that amount in full within 24 hours of your acceptance and we will notify you when we give you the quote if that is the case; otherwise, the flight fare will remain part of the total amount you owe and due as set forth in Section 3 above. Please note that some flight prices require a local airport fee to be paid in cash by the customer. Such costs are not included in the agreed price for the booking.

Airline tickets issued may not be reissued or exchanged for another air carrier or routing. Cancellation or re-booking charges will be assessed by the airline for any changes and these additional costs are the sole responsibility of the customer.

According to the European Parliament and Council Regulation no. 261/2004 you have the right under certain circumstances to a refund and/or compensation from the airline if you are refused boarding of the flight or in cases where flights are cancelled or take-off is extremely delayed. You must claim such refund or compensation directly from the airline company. Refunds in such cases will not automatically give you the right to a refund of your costs from us. In cases where delays can result in the right to cancel a flight with the selected air travel provider, this will not automatically give you the right to cancel or receive a refund for any other arrangements with us, even if they were agreed on in connection with the flight concerned unless and to the extent we caused the delay.

#### 7. NAME CHANGES; TRANSFER OF BOOKINGS

If you wish to change one or more names on your booking(s) (i.e. transfer your booking to another person) after you make your first payment and this Contract becomes binding, you may do so before departure on the following schedule below for a **minimum administrative fee of USD \$75.00** per change, payment of which will be a condition of embarkation.

- 61 days or more before departure for Expedition cruises to the Galápagos Islands
- 31 days or more before departure for all other Expedition cruises (i.e. excluding to the Galápagos Islands)
- 15 days or more before departure for all Coastal Express cruises

**Please note that** for direct bookings, you must request changes in writing by email to [us.expeditions@hurtigruten.com](mailto:us.expeditions@hurtigruten.com). If you have booked through an Agent, **please contact your Agent to make the required changes.**

Hurtigruten will consider any name changes other than to correct minor typographical errors a transfer of the booking to the applicable person (the "Transferee"). You represent and warrant that (a) the Transferee satisfies all the requirements of this

Contract and the applicable bookings; and (b) you have informed the Transferee of this Contract and that s/he/they will be subject to its terms as if they had originally made the booking, **except that you and the Transferee will be jointly and severally liable and responsible for any amounts due under this Contract.**

Please also note that the cost of your expedition may increase if you were entitled to a discount or other promotional benefit but your Transferee is not.

Changes in air travel and other arrangements such as shore excursions may also be subject to change fees and/or increases by the carrier, for which the customer shall be solely responsible, including for any such arrangements Hurtigruten has made on your behalf, including airfare, as described in section 6.

#### 8. OTHER CHANGES TO BOOKINGS BY CUSTOMERS

If you wish to make changes to your bookings or travel arrangements other than those permitted in section 7 after this Contract has become valid, such as adding individuals to your booking(s), removing an excursion from your booking or removing a night from a hotel stay, Hurtigruten will make every effort to accommodate your requests; however, additional changes may not be possible and are ultimately in Hurtigruten's sole discretion. As in section 7, Hurtigruten reserves the right to charge you an administrative fee of USD \$75.00 per change, payment of which shall be a condition of embarkation. **Please contact** [us.expeditions@hurtigruten.com](mailto:us.expeditions@hurtigruten.com) or call 866-552-0371 to discuss changes.

Also, and as indicated in section 7, certain types of changes, such as changes in air travel and other arrangements such as shore excursions, may also be subject to change fees and/or increases by the carrier or other providers and may otherwise result in an increase in the overall price for the booking, for which the customer shall be solely responsible. Ground transfers (for example, bus rides) purchased through Hurtigruten are not refundable. Please review the documents and instructions for transfers that were sent to you. Missed transfers are not the responsibility of Hurtigruten and there is no reimbursement available.

If Hurtigruten is not able to accommodate your requests as described above, and if you decide to proceed with the requested changes regardless, we shall treat your request as a cancellation and rebooking of the original bookings and incur all associated fees pursuant to section 11 of this Contract.

#### 9. TRANSFER OF BOOKING

Except as explicitly permitted herein, this Contract is personal and cannot be assigned, sold, or transferred to persons other than the customer without the express written consent of Hurtigruten.

#### 10. TRAVEL PROTECTION PLAN

We recommend that all passengers purchase a travel protection plan to help protect you and your trip investment from unexpected events such as cancellations, delays, and medical emergencies. For some destinations, travel insurance is required. Please read the cancellation policy below.

#### 11. CANCELLATION BY CUSTOMER

You or anyone in the booking have/has the right to cancel the booking at any time. All cancellations must be done in writing by the person who has made the booking. The cancellation is effective on the date that Hurtigruten receives the cancellation request at the address provided in this Contract. Please note: There is no refund on bookings that cost less than USD \$1,340.00 (including taxes and additional charges). Cancellation fees are calculated according to the following schedule for all other bookings:

**Number of days before departure when the Cancellation Letter is received by Hurtigruten \* Charges as a % of the total package cost \*\***

- Total package cost \* | 100% \*\*
- 90 or more days \* | 25% \*\*

- 60-89 days \* | 50% \*\*
- 30-59 day \* | 75% \*\*
- Less than 30 days \* | 100% \*\*

For trips that are based on pre-paid flights, including any airfare we book on your behalf, the airline company's booking and cancellation rules will apply to the air portion. Any trip protection costs will be additional to the agreed price for the booking. The same applies to any connection travel that does not form part of this booking. You will be responsible for all such costs. There is no refund of any or all of the booking price for customers who do not show up at the pier for embarkation or who disembark prior to the end of their ticketed cruise itinerary. Should the customer's cabin include several people, partial cancellation will result in the application of the above penalties to the persons who have cancelled and the remaining customers being charged the applicable prices for the revised number of customers in the cabin. If you have to cancel your booking for reasons that are covered by your travel protection plan, you must apply for a refund from your insurance company for the cancellation fee of your own accord. Insurance premiums are not refundable. Cancellation charges are calculated based on total fares paid to Hurtigruten for all trip components. Cancellation charges will apply notwithstanding that Hurtigruten is able to rebook the cabin in question.

## 12. CANCELLATION, DEVIATION, OR SUBSTITUTION BY HURTIGRUTEN

You agree that Hurtigruten has the sole discretion and freedom to direct the movements of its vessels, including the right to proceed without pilots, tow or be towed, assist other vessels; deviate from the customary or advertised course for any purpose that is sufficient in the judgment of Hurtigruten or the vessel's captain, including but not limited to offering or rendering assistance in an effort to preserve life or property; and put in or back in to, or call or stop at any port or place. Hurtigruten shall not be required to provide you prior notice before exercising its discretion on any of these matters, and shall not incur any liability to you for any loss, damage, or delay, whether consequential or otherwise. Hurtigruten shall at all times have the absolute right, without liability to you, to take all actions necessary to comply with orders, recommendations or directions from any governmental entity or persons purporting to act with such authority, including but not limited to those pertaining to health, security, immigration, customs, or safety.

Hurtigruten reserves the right to cancel any cruise or booking without liability or compensation to you, provided such cancellation is due to circumstances that are beyond Hurtigruten's control, including but not limited to acts of God, war, piracy, terrorism, civil strife, labor conflicts, weather conditions, perils of the sea, mechanical breakdown, or collisions ('force majeure events'). If as a result of a force majeure event, Hurtigruten determines that proceeding to, attempting to enter, entering, or remaining at a port may expose the ship to risk, loss, damage, or delay, the customer and his or her baggage may be disembarked at any port or place at which the ship may be or call, at which time Hurtigruten's responsibility under this Contract shall cease and the Contract shall be deemed to have been fully performed.

Hurtigruten reserves the right to omit, alter, or curtail any shore excursions at its sole discretion. Hurtigruten reserves the right to substitute any vessel in place of the vessel on which you booked passage for any reason, including reasons based on Hurtigruten's fault, without liability for loss or damage of any kind whatsoever. If a deviation to a cruise is minor, of a kind that the customer should have anticipated occasionally occurring, or the occurrence of which is beyond Hurtigruten's reasonable control, then Hurtigruten shall have no obligation to pay a refund to the customer. If a deviation is not minor, or Hurtigruten cancels a cruise, Hurtigruten shall provide a refund commensurate with the portion of the trip that did not take place.

## 13. CUSTOMER'S AGREEMENT TO ABIDE BY HURTIGRUTEN REGULATIONS AND CAPTAIN'S ORDERS

You agree to abide by Hurtigruten's rules and the ship captain's orders at all times while aboard Hurtigruten's vessels. Hurtigruten reserves the right, without liability of any kind, to refuse passage to, disembark, or confine to a stateroom, any customer who may be suffering from any contagious or infectious disease, refuses to obey this Contract or the Captain's orders, endangers the safety of himself or herself, other customers, or crew, or whose presence, in Hurtigruten's sole discretion, may be detrimental to the comfort, enjoyment, or safety of other customers, the vessel, or the crew.

Each customer may bring aboard the ship a reasonable amount of clothing and personal effects without charge, subject to airline restrictions. However, you must not bring or cause to be brought aboard any Hurtigruten vessel any of the following items: illegal or controlled substances, fireworks, live animals (except service or guide animals), weapons, firearms, explosives or other hazardous materials, or any other items prohibited by applicable law. You shall not solicit anyone on board for any commercial, professional, or charitable purposes. Hurtigruten reserves the right to disembark or refuse to embark anyone failing to comply with this provision. In such cases, Hurtigruten shall have no liability whatsoever to the customer for any refund or any other related loss or expense to the customer and any accompanying customers. In any port or any place, we reserve the right to refuse to take on board and the right to disembark customers who, according to the ship's authorized personnel, may be refused permission to land on new ports of call by local authorities or that may be suffering from a contagious or infectious disease, or whose presence could be detrimental to customers or the crew's welfare. In cases where the ship or individual customers are in quarantine (customers may have to remain in the berth or be instructed by authorized personnel on board if he/she or any other person in the berth shows symptoms of illness or can be regarded as a danger to other customers), we do not have liability for any costs that result, and in such cases there will be no rights to refunds or compensation.

## 14. COMPLAINTS

Should you believe that you have grounds to complain about an arrangement, the conditions must be pointed out underway to the applicable travel guide, crew, and/ or representatives of hotels/ car hire companies, airlines, etc., who will seek to correct any errors. You are also obliged to minimize your own losses as far as possible. If the incident is not addressed satisfactorily on-site, you may send in a written complaint. Any written complaints must be submitted to the travel agency where the booking was made or directly to Hurtigruten. The complaint must contain the reservation number and a description of the incident as well as any claims made. Hurtigruten makes no guarantee of any redress or particular response to any complaints.

## 15. LIMITATION OF LIABILITY

Without affecting our specific disclaimers and limitations of liability elsewhere in this Contract, Hurtigruten's liability is limited to you under this Contract. Hurtigruten shall not be liable to you for any loss, injury, death, property damage, delay, or harm of any kind caused by or arising from events outside of Hurtigruten's reasonable control, including but not limited to acts of God, war, piracy, terrorism, civil strife, labor conflicts, weather conditions, perils of the sea, mechanical breakdown, or collisions. In addition to our disclaimer of liability as to your relationship with your Agent set forth above, Hurtigruten shall not be liable or responsible to the customer in any way for any injury, death, illness, delay, loss, or damage not shown to be caused by Hurtigruten's negligence or fault. Hurtigruten is also not liable for damages for emotional distress, mental suffering, or psychological injury of any kind that does not result from a physical injury to the customer, actual risk of physical injury to the customer, or intentionally inflicted by Hurtigruten.

FOR ALL CRUISES THAT DO NOT EMBARK, DISEMBARK OR CALL IN A UNITED STATES PORT, HURTIGRUTEN SHALL AT ALL TIMES BE ENTITLED TO ANY AND ALL LIMITATIONS OF LIABILITY, IMMUNITIES, AND RIGHTS SPECIFIED UNDER THE 'CONVENTION RELATING TO THE CARRIAGE OF PASSENGERS AND THEIR LUGGAGE AT SEA' OF 1974 (AS AMENDED BY THE 1976 'PROTOCOL TO THE ATHENS CONVENTION RELATING TO THE CARRIAGE OF PASSENGERS AND THEIR LUGGAGE BY SEA') (HEREINAFTER 'ATHENS CONVENTION').

In the case of personal injury or death, Hurtigruten's liability shall not exceed 400,000 Special Drawing Rights ('SDR') per customer per occasion (approximately USD \$ 565,000.00 as of August 26, 2020, which amount fluctuates daily depending on the exchange rate as printed in the Wall Street Journal). If the personal injury or death was caused by a shipping incident (defined as shipwreck, capsizing, collision or stranding, explosion, fire, or defect in the ship), Hurtigruten's liability is limited to 250,000 SDR (approximately USD \$ 355,000.00 as of August 26, 2020, which amount fluctuates daily depending on the exchange rate as printed in the Wall Street Journal), but can increase to 400,000 SDR unless Hurtigruten proves that the shipping incident occurred without Hurtigruten's fault or neglect. Shipping incidents do not include incidents that result from acts of war, hostilities, civil war, insurance or natural disasters, or that result from intentional acts or omissions of third parties.

Hurtigruten shall not be liable for money, securities, and other valuables such as gold, silver, jewels, watches, ornaments, financial instruments, and works of art unless Hurtigruten has received them for safekeeping. Hurtigruten's liability for loss of or damage to luggage (defined as any article or vehicle carried by Hurtigruten under a contract of carriage, excluding articles and vehicles carried under a charterparty, bill of lading, or contract primarily concerned with the carriage of goods, and live animals), including any items received for safekeeping, shall not exceed 3,375 SDR (approximately USD \$ 4,800.00 as of August 26, 2020, which amount fluctuates daily depending on the exchange rate as printed in the Wall Street Journal).

Hurtigruten's liability for loss of or damage to cabin luggage (defined as luggage which the customer has in his or her cabin or is otherwise in the customer's possession, custody, or control), shall not exceed 2,250 SDR (approximately USD \$ 3,200.00 as of August 26, 2020, which amount fluctuates daily depending on the exchange rate as printed in the Wall Street Journal). Hurtigruten's liability for loss of or damage to vehicles, including all luggage carried in or on the vehicle, shall not exceed 12,700 SDR (approximately USD \$ 18,000.00 as of August 26, 2020, which amount fluctuates daily depending on the exchange rate as printed in the Wall Street Journal).

IN ALL CASES, LOSSES SHALL NOT INCLUDE PUNITIVE OR EXEMPLARY DAMAGES.

## 16. NOTICE OF CLAIMS AND TIME TO SUE

Hurtigruten shall not be liable for any claims for personal injury, death, loss or damage to luggage or personal property, unless suit on such claims is commenced within two years from the date of disembarkation or, in the case of death occurring during the cruise, from the date when the passenger should have disembarked. For all other claims, Hurtigruten shall not be liable unless suit is commenced within one year from the date of disembarkation.

## 17. ACKNOWLEDGEMENT OF RISKS

There are certain unavoidable risks to the customer and the customer's property associated with being aboard a vessel and participating in shore excursions. These include, but are not limited to, rough and unpredictable weather and seas; collisions of ships or other vehicles; illnesses caused by consumption of food and beverages; slip and fall due to the motion of the sea or other causes; lack of access to medical services; civil unrest or terrorism; evacuation of the

vessel in an emergency; unpredictable behavior of animals in the wild; and breakdown of equipment. The customer warrants that the customer and any passengers for whom the customer is responsible are fit to travel and warrants that the customer will only engage in those activities that are within the customer's physical ability and experience. The customer agrees to assume all the risks associated with sea travel and shore excursions.

## **18. NO LIABILITY FOR INDEPENDENT CONTRACTORS**

You may be afforded the opportunity to contract with third parties acting as independent parties for the provision of shipboard personal services and shore excursions. You acknowledge that all shore excursions, tours, airline flights, ground transportation, and hotels are either operated by or are independent contractors. While Hurtigruten shall be entitled to collect a fee for such services, Hurtigruten does not supervise or control the actions of these independent contractors or make any representation either express or implied as to their suitability or competence. Hurtigruten, in arranging such services, does so only as a convenience for the customer and the customer is free to use or not use those services. Hurtigruten does not assume any responsibility for or guarantee performance of any such independent contractors. Hurtigruten shall not be liable for any negligent, grossly negligent, or intentional acts or omissions of such independent contractors, nor for any loss, damage, injury, or delay to the customer or the customer's property in connection with such services.

The fees and costs for shore excursions, tours, airline flights, ground transportation, hotels, or any other services provided by independent contractors which the customer orders but does not use are neither refundable by Hurtigruten nor exchangeable.

## **19. INDEMNITY FROM DAMAGE**

You and your traveling companions must behave in a manner that is not a nuisance to other passengers and that will not cause safety or practical problems for the cruise or any independent contractors. The customer shall be liable to and shall reimburse Hurtigruten for all damages or loss to Hurtigruten's property, including the vessel and its furnishings and equipment, and for all damages or loss to independent contractors and other Hurtigruten passengers, caused directly or indirectly, in whole or in part, by any act or omission of the customer and those for whom the customer is responsible, whether willful or negligent. The customer shall further indemnify Hurtigruten and all of its agents or representatives against all liability whatsoever arising from any personal injury, death, damage, delay, or loss caused directly or indirectly, in whole or in part, by any act or omission of the customer and those for whom the customer is responsible, whether willful or negligent.

## **20. TRAVEL DOCUMENTS**

Your specific passport and visa requirements as well as any other immigration requirements are your own responsibility and you must clarify this with the relevant embassies and/or consulates. We do not accept any responsibility in situations where you cannot travel because you do not meet the latest requirements. If you have made independent travel arrangements, you are responsible for boarding the ship in good time, regardless of any changes to the sailing times and dates or travel routes. We cannot refund monies paid to us, or a third party that acts on our or your behalf, or give compensation or make any payments when you, regardless of the reason, do not board the ship. Customers that disembark are responsible for boarding the ship again before departure from the port.

## **21. VALIDITY OF BROCHURE**

Hurtigruten's travel brochure and the information contained in it, including prices and itineraries, is subject to change without notice at the discretion of Hurtigruten. Hurtigruten is not liable or responsible for any typographical errors and/or omissions. We reserve the right to at any time change the

travel information and correct any mistakes in Hurtigruten's brochure. Should changes be made to the brochure before you have made your booking, we will attempt to advise you thereof before confirmation of bookings.

## **22. PROTECTION OF PRIVACY**

To process your reservation, Hurtigruten needs some basic information. This includes names, address, any special requirements/dietary requirements, etc. We take all precautions to ensure that the information will not be misused. Nevertheless, we must pass on the necessary information to certain independent contractors that are involved in your travel plans. This applies, for example, to airlines, ships, hotels, and transport companies. The information may also be given to credit companies and government authorities such as customs/immigration, if required. We will never give out this type of information to private individuals or companies that are not directly responsible for part(s) of your trip. This applies particularly to sensitive information that you provide, such as details on any disabilities, special dietary requirements or religious needs. If you do not accept that we pass on such information if required to do so, we reserve the right to reject your booking. Please note that if you make a booking with an agent/ travel agency, it is the agent's protection of privacy procedures that will apply. Hurtigruten shall not be responsible for any third party's protection of your privacy. Should you wish to have a copy of personal information that we have registered about you, you are welcome to contact us. Hurtigruten may also contact you by e-mail and/or telephone with news, information, travel offers and marketing surveys. If you do not wish to be contacted for such purposes, please advise us of this by e-mail to: [us.expeditions@hurtigruten.com](mailto:us.expeditions@hurtigruten.com).

## **23. PHOTOGRAPHS AND VIDEOS OF CUSTOMER**

During the course of your cruise, Hurtigruten may produce photographic, video, and/or audio-video recordings ('images'), which may be made available to passengers and may also be used by Hurtigruten in advertising and promoting its products. The customer consents to the making of images including the customer's appearance, words, and voice, while the customer is engaged in the cruise, and grants to Hurtigruten the irrevocable, perpetual, royalty-free right to use, reuse, publish, republish, and disseminate such images and any copies or derivative works from such images in any manner for promotional and other commercial purposes, in any medium and without restriction as to changes or alterations, or reproductions thereof in color or otherwise. The customer releases and assigns to Hurtigruten the right or interest the customer may have in images including the customer's appearance and/or voice recorded by Hurtigruten's employees, agents, or contractors, and waives any rights of any kind in or over such images including rights of compensation, publicity, privacy, copyright, review, inspection, or approval.

## **24. SEVERABILITY**

In the event any paragraph, clause or provision of this Contract is deemed invalid or illegal in any jurisdiction, such paragraph or provision shall be deemed reformed to the extent necessary to render it enforceable, so long as consistent with the basic purpose of the paragraph, clause, or provision. If the paragraph, clause, or provision is not reformable, it shall be deemed severed from this Contract in that jurisdiction only and all remaining provisions shall remain in full force and effect.

## **25. PROTECTION UNITED STATES TOUR OPERATORS ASSOCIATION \$1 MILLION TRAVELERS ASSISTANCE PROGRAM**

Hurtigruten, as an Active Member of USTOA, is required to post \$ 1 Million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA \$ 1 Million Travelers Assistance Program ([www.ustoa.com/travelers-assistance](http://www.ustoa.com/travelers-assistance)), the advance payments of Hurtigruten customers in the unlikely event of Hurtigruten's bankruptcy, insolvency or cessation of business. Please note that per USTOA terms and conditions,

there is a deadline by which claims must be filed. Further, you should understand that the \$ 1 Million posted by Hurtigruten may be sufficient to provide only a partial recovery of the advance payments received by Hurtigruten. More details of the USTOA Travelers Assistance Program may be obtained by writing to USTOA at 345 Seventh Avenue, Suite 1801, New York, New York 10001, or by email to: [information@ustoa.com](mailto:information@ustoa.com) or by visiting their website at [www.ustoa.com](http://www.ustoa.com).

## **COVID-19 TERMS AND CONDITIONS FOR SAILINGS WITH HURTIGRUTEN EXPEDITIONS**

**The terms and conditions below apply to sailings with Hurtigruten Expeditions.**

### **1. AGREEMENT TO COMPLY WITH THE COVID-19 POLICIES AND PROCEDURES**

The COVID-19 policies and procedures take into account advice from our medical advisors, guidance and directives from health authorities and applicable law. The virus and the pandemic continue to change, and the directives may change from time to time. The COVID-19 policies and procedures may therefore also be amended by Hurtigruten (as defined above in the terms and conditions) to reflect such changes.

You understand and agree to comply with the policies and procedure described herein at all times during your trip. We may update these policies and procedures from time to time and we will update the Hurtigruten "Safer Together web page" (available at <https://www.hurtigruten.com/en-us/expeditions/practical-information/health-and-safety/#joining-your-hurtigruten-expedition>) with information about the infection control measures in place, and you agree to comply with the modified policies and procedures described on the Safer Together web page. Hurtigruten will use commercially reasonable efforts to give passengers as much notice as reasonably possible of any changes (whether they come into force prior to departure or whilst on board). In the Sections below, you can see examples of what policies and procedures may apply.

The control of the ships remains with the captain, who may vary the policy and procedures from time to time, or require additional measures due to the health and safety on board in accordance with the Norwegian Ship Safety Act. Further, local health authorities may impose measures on the ships, such as a ship quarantine or set requirements for passengers to disembark. All passengers onboard must adhere to such instructions.

### **2. COVID-19 POLICIES AND PROCEDURES**

You understand that the COVID-19 policies and procedures may include or will include (but are not limited to):

- (1) Requiring a **health questionnaire** prior to embarking (which you agree to complete in an accurate, truthful, and complete fashion), including a sworn statement that the information provided is correct.
- (2) **Temperature scanning** (for example when embarking and entering dining areas) and **testing** (for example with antigen tests or PCR tests), before travelling, during embarkation and/or periodically during the voyage. You may be required to cover the costs for the tests. The cost for testing may be from USD \$30.00 to \$150.00 depending on the type of test.
- (3) Requiring **vaccination** of passengers with documentary proof acceptable to Hurtigruten according to the policies

and procedures applicable at the time of the sailing. Hurtigruten may check the proof prior to embarkation. The vaccine requirement may include staying up to date with COVID-19 vaccination (including primary vaccination series and booster), with a WHO approved vaccine. Please refer to the Hurtigruten Safer Together web page for the most recent information, as the requirements are subject to change both due to changes in the general virus situation or applicable law. On the web page you can also find up to date information about vaccination requirements for children and the use of certificate of recovery.

- (4) Requiring the use of **facemasks** meeting such guidelines as Hurtigruten may from time to time direct (medical grade, FFP2 and N95). The use of facemask may be required both on board the cruise, during flights, at the airports and terminals and on excursions. Face masks will not normally be required when a passenger is in his or her own cabin and balcony, while eating or drinking, and outdoors.
- (5) Confinement (**isolation**) of passengers to cabins (to either passengers' own cabins or cabins specially used for isolation), quarantine or emergency disembarkation of passengers if, in Hurtigruten's sole discretion, such steps are necessary to prevent or slow the spread of COVID-19.

You may be denied to embark if you show symptoms of COVID-19 such as (but not limited to) cough, shortness of breath, difficulty breathing, fever or chills, loss of taste or smell, vomiting or diarrhea.

Hurtigruten may also mandate social distancing, hand sanitizing, modified capacity regulations for activities (both onboard activities and excursions). If an outbreak occurs, services and facilities (for example saunas, pools, hot tubs and gym) may be closed if this is necessary or useful to limit spread of COVID-19, and there may be limitations on whether it is an option to visit shore.

Regulations and travel restrictions are constantly changing. You are responsible for ensuring that you comply with entry regulations in each country visited during the sailing (such as, but not limited to, vaccination and test requirements, quarantine obligations and entry registration forms), regardless of whether you plan to disembark.

### 3. MANDATORY COMPLIANCE AND EXCLUSION POLICY

Any failure by you or any of your travel party to comply with Hurtigruten's COVID-19 policies and procedures gives the operator, the carrier and Hurtigruten the right to deny you to embark, refuse you to re-board after going ashore, disembark you, or report you to governmental and health authorities.

In case of any failure to comply with these terms and conditions, you are not entitled to a refund or compensation of any kind. You are solely responsible for all related costs and fines.

Neither Hurtigruten, the operator, the carrier (or any of their directors, officers, or representatives), the crew nor the captain are liable for any damages or expenses whatsoever incurred by a you as a result of such denial of boarding, refusal to re-board, disembarkation, or other steps taken following your failure to comply with these terms and conditions.

### 4. IF YOU TEST POSITIVE BEFORE THE CRUISE

If you test positive for COVID-19 during the last 14 days before your embarkation or at embarkation, have had close contact with a person confirmed or suspected as having COVID-19 or Hurtigruten/carrier otherwise determine that you are unfit to embark because of COVID-19, Hurtigruten may refuse your embarkation. In such cases (unless Hurtigruten determines that you have failed to comply with Hurtigruten's COVID-19 policies and procedures or these terms and conditions) a guest who has been denied boarding because of a known or suspected infection with COVID-19 will be entitled

to a future cruise credit ("**FCC**") equal to the amount paid for the cruise. If the guests have booked other services (for example flights hotels and transport) the cancellation costs for these services will be deducted from the FCC.

This offer is only valid for bookings made between 1 July 2022 and 30 June 2023 for cruises scheduled to depart on or before 31 December 2023. The FCC must be used to book within 12 months after you were denied to embark and the new sailing you book must be scheduled to sail within 18 months (from the date you were denied to embark). If not used within the deadline the FCC and this offer will automatically expire and have no value.

Any promotions or offers available or applicable with the original booking shall not apply to the subsequent booking made with the FCC. The FCC is non- transferrable. The FCC has no cash value and cannot be used to obtain a refund.

Only individual named guests travelling with Hurtigruten are eligible to receive an FCC. Agents and charterers are not eligible, and this Section does not apply to guests who have booked chartered sailings. This offer will cease when Hurtigruten no longer requires or recommends passengers to test before travelling.

In these circumstances, when available, an FCC will be your only compensation, and neither Hurtigruten, the operator nor the carrier will be liable to pay any other compensation, for example (but not limited to), to cover costs for other accommodation or travel to or from the point of boarding or disembarkation.

Hurtigruten may require guests to document their positive test result before issuing the FCC with documentary proof acceptable to Hurtigruten (for example with a test certificate from a doctor or certified test provider).

You may also choose to cancel your booking according to the general terms and conditions listed above with the applicable cancellation fee.

### 5. RECOMMENDATION TO CONSULT A DOCTOR

We encourage you to discuss the advisability to travel with your medical care provider, and to seek updated information from World Health Organization (WHO) or health authorities in your home country. Some groups have a higher risk for severe illness or life-threatening complications from COVID-19. According to the WHO, COVID-19 is often more severe in people who are older than 60 years or who have health conditions like lung or heart disease, diabetes or conditions that affect their immune system. Other illnesses and chronic medical conditions may also impact the severity.

You acknowledge, understand, and accept that during your journey (including but not limited to onboard the ship, flight, while travelling to or from the ship, in hotels, terminal, and airports or during excursions) you or other passengers may be exposed to communicable illnesses, including but not limited to influenza, norovirus, COVID-19 and colds. Further, you understand and accept that the risk of exposure to such illnesses is inherent in many activities where people meet, interact and share common facilities, even with COVID-19 policies and procedures in place. This risk is beyond Hurtigruten's, the operator's and the carrier's control and cannot be eliminated. **YOU KNOWINGLY AND VOLUNTARILY ACCEPT THESE RISKS AS PART OF THIS CONTRACT, INCLUDING THE RISK OF SERIOUS ILLNESS OR DEATH ARISING FROM SUCH EXPOSURES, AND/OR ALL RELATED DAMAGES, LOSS, COSTS AND EXPENSES OF ANY NATURE WHATSOEVER AND AGREE THAT HURTIGRUTEN WILL HAVE NO LIABILITY TO YOU OR ANY OTHER PARTY RELATED TO SUCH EXPOSURE.**
