

THE COASTAL EXPRESS

Please Note: This cruise is not operated by Brekke Tours, but by Hurtigruten. Year-round departures are available.

DAY 1 BERGEN – EMBARKATION [D]
Your voyage starts in Bergen, Norway's second-largest city and a gateway to the fjords. Embark on your Norwegian cruise in the evening. **Overnight in Bergen prior to cruise departure is recommended for international flight arrivals.**

DAY 2 FLORØ – MOLDE [B,L,D]
Arrive in Ålesund, a beautiful town filled with perfect examples of Art Nouveau architecture. Between from June to August, we set course for UNESCO-listed Geirangerfjord. This is a protected and preserved piece of paradise with towering mountain cliffs and waterfalls like the famous Seven Sisters cascading into the fjord. The last port of the day is Molde. In summer, there might just enough daylight to see the amazing view of the 222 mountain peaks across the fjord, called the 'Molde Panorama'. Shore excursions are available.

DAY 3 TRONDHEIM – RØRVIK [B,L,D]
The architecture and surroundings in Trondheim create a beautiful and almost-mythical setting, whether you are exploring the city by foot, bike, or boat. Kayak on the river Nid and into the city's smaller channels, or take a guided tour to discover the city's most striking features. Shore excursions are available.

DAY 4 BRØNNØYSUND – SVOLVÆR [B,L,D]
The Arctic Circle marks the border of the Arctic region. In summer this means 24-hour daylight - often referred to as the 'midnight sun'. The ship enters the Lofoten Archipelago in the afternoon. The Lofoten Wall, standing over 3,200 feet tall, is a stunning sight on the horizon. Shore excursions are available.

DAY 5 HARSTAD – TROMSØ – SKJERVØY [B,L,D]
Get ready for a day full of exciting activities, whatever the season! Visiting Risøyhamn, Harstad, Finnsnes, and the capital of the Arctic, Tromsø. Leaving Tromsø in the early evening, we'll head north for the trading post of Skjervøy, founded in 1622. On our way, we'll pass the Lyngen Alps, which rise majestically from the sea. Shore excursions are available.

DAY 6 ØKSFJORD – BERLEVÅG [B,L,D]
Enjoy the magnificent sub-Arctic landscape as we cross the 71st parallel on our journey towards the North Cape, the northernmost point on the continent. Continuing north, pass the tall Slettnes Lighthouse, the planet's northernmost mainland lighthouse. Shore excursions are available.

DAY 7 BÅTSFJORD – KIRKENES [B,L,D]
The vistas become more dramatic as we approach Kirkenes, just a few miles from the Russian border. This is Hurtigruten's turning point. Northbound passengers will disembark upon arrival. After a few hours docked at Kirkenes, the ship will depart upon the southbound half of her voyage. Shore excursions are available.

DAY 8 MEHAMN – TROMSØ [B,L,D]
The ship arrives at Honningsvåg in the early morning. After calling at Havøysund, she will stop in Hammerfest, the world's most northerly town. Despite its remote location, it was the first Norwegian town to have electric street lighting and its own power station. You'll dock in Tromsø just in time to savor its nightlife. Shore excursions are available.

DAY 9 HARSTAD – STAMSUND [B,L,D]
The daylight sailing through the Lofoten Islands is a highlight for many Hurtigruten guests. The Lofoten region is renowned for its natural beauty with steep mountains, wild nature, and small, picturesque fishing villages. This day also offers several exciting excursions that will make you feel like a natural-born explorer.

DAY 10 BODØ – RØRVIK [B,L,D]
The Helgeland coast, with its hundreds of islets, fertile farmland, and steep granite walls, is rich in local lore. Legends include how an arrow fired by the Hestmannen troll formed the hole in Torghatten Mountain.

DAY 11 TRONDHEIM – MOLDE [B,L,D]
Today gives you another opportunity to explore the city of Trondheim. Passing the islands of Munkholmen, Hitra, and thousands of islets and skerries, we stop in Kristiansund and then cross the open sea on our way to Molde. Shore excursions are available.

DAY 12 ÅLESUND – BERGEN [B,L]
During the night, the ship will call at Ålesund, Torvik, and Måløy as the world's most beautiful voyage draws to a close. Services end upon disembarkation in Bergen.
